NOTICE OF AVAILABILITY

To: Service List for Resolution T-17597

Draft Resolution T-17597 will be on the Commission's **March 22, 2018**, meeting agenda. Resolution **T-17597** proposes to impose fines on telephone corporations in violation of the User Fee, Public Purpose Program surcharge and performance bond requirements described in California Public Utilities Code § 401 through 405 and 275 through 278, General Order 153 paragraph 11, and Decision 10-09-017. Resolution T-17597 also proposes to subsequently revoke the operating authorities of non-compliant carriers who have failed to pay the fines within 30 days.

This draft resolution is available at the Commission's website at www.cpuc.ca.gov. On **March 22, 2018**, the Commission may vote on this resolution or it may postpone votes until later. When the Commission votes on a draft resolution, it may adopt all or part of it as written, amend or modify it, or set it aside and prepare a different resolution. Only when the Commission acts does a resolution become binding on the parties. The conformed resolution, when adopted by the Commission, will be available at the same website.

Pursuant to Public Utilities (PU) Code 311 (g), the above-identified draft resolution is available for public comments. Comments should be focused on factual, legal, and/or technical errors in the draft resolution. Comments must be limited to five pages in length and shall include a subject index listing the recommendations to the draft resolution, a table of authorities, and an appendix setting forth the proposed revised findings and ordering paragraphs.

The date of submission is the date the comments are received by the Communications Division. Parties must serve a copy of their comments on each party set forth on the service list attached to the draft resolution on the same date that the comments are submitted to the Communications Division.

Comments must be submitted no later than March 12, 2018, which is 10 days before the March 22, 2018, Commission Meeting.

Late-filed opening comments and/or reply comments will ordinarily be rejected. However, in extraordinary circumstances, a request for leave to submit comments or replies late may be filed together with proposed comments/replies. An accompanying declaration under penalty of perjury shall be submitted setting forth all the reasons for the late submission.
