**NOTICE OF AVAILABILITY**

To: All Telephone Carriers

[Draft Resolution T-17601](#) will be on the Commission's **May 31, 2018** meeting agenda. Resolution T-17601 authorizes the Communications Division Staff (Staff) to implement a citation program for enforcing compliance by telecommunications carriers with the Commission's Resolutions, Decisions, Orders and the Public Utilities Code. This resolution also adopts a citation procedure, a list of specific violations, and the corresponding amount of penalties as well as an appeal procedure.

This draft resolution is available at the Commission's website at [www.cpuc.ca.gov](http://www.cpuc.ca.gov).

On **May 31, 2018**, the Commission may vote on this resolution or it may postpone votes until later. When the Commission votes on a draft resolution, it may adopt all or part of it as written, amend or modify it, or set it aside and prepare a different resolution. Only when the Commission acts does a resolution become binding on the parties. The conformed resolution, when adopted by the Commission, will be available at the same website.

Pursuant to Public Utilities (PU) Code 311 (g), the above-identified draft resolution is available for public comments. Comments should be focused on factual, legal, and/or technical errors in the draft resolution. Comments must be limited to five pages in length and shall include a subject index listing the recommendations to the draft resolution, a table of authorities, and an appendix setting forth the proposed revised findings and ordering paragraphs.

The date of submission is the date the Communications Division receives the comments. Parties must serve a copy of their comments on the same day to the Communications Division staff contact Penney Legakis ([penney.legakis@cpuc.ca.gov](mailto:penney.legakis@cpuc.ca.gov)) and to each party set forth using the service list attached to this Notice of Availability.

**Comments must be submitted no later than May 21, 2018, which is 10 days before the Commission meeting.**

Late-filed opening comments and/or reply comments will ordinarily be rejected. However, in extraordinary circumstances, a request for leave to submit comments or replies late may be filed together with proposed comments/replies. An accompanying declaration under penalty of perjury shall be submitted setting forth all the reasons for the late submission.
