ORDER CORRECTING ERROR

The Commission has been informed of an error in Ordering Paragraph 2 of Decision (D.) 18-07-022. Ordering Paragraph 2 on page 19 of D.18-07-022 states, "Pacific Gas and Electric Company, San Diego Gas & Electric Company, and Southern California Edison Company shall pay The Utility Reform Network their respective shares of the award, based on their California-jurisdictional gas and electric revenues for the 2016 calendar year, to reflect the year in which the proceeding was primarily litigated. If such data is unavailable, the most recent gas and electric revenue data shall be used." However, their respective shares of the award should be based on the California-jurisdictional electric revenues for the 2017 calendar year. Therefore, pursuant to Resolution A-4661,

IT IS ORDERED that Decision 18-07-022 is corrected as follows:

1. Order 2 on page of Decision 18-07-022 shall read "Within 30 days of the effective date of this decision, Pacific Gas and Electric Company, San Diego Gas & Electric Company, and Southern California Edison Company shall pay The Utility Reform Network their respective shares of the award, based on their California-jurisdictional electric revenues for the 2017 calendar year, to reflect the

year in which the proceeding was primarily litigated. If such data is unavailable, the most recent electric revenue data shall be used. Payment of the award shall include compound interest at the rate earned on prime, three-month non-financial commercial paper as reported in Federal Reserve Statistical Release H.15, beginning May 30, 2018, the 75th day after the filing of The Utility Reform Network's request, and continuing until full payment is made.”

This order is effective today.

Dated August 7, 2018, at San Francisco, California.
