

PUBLIC UTILITIES COMMISSION

505 VAN NESS AVENUE
SAN FRANCISCO, CA 94102-3298

November 30, 2018

NOTICE OF AVAILABILITY

To: Service List for Resolution T-17641

Draft Resolution T-17641 will be on the Commission's **December 13, 2018**, meeting agenda. Resolution **T-17641** provides guidelines on the collection, reporting and remittance of California Public Utilities Commission Public Purpose Program surcharges and User Fees for prepaid wireless services sold in California, effective January 1, 2019. This resolution is a follow-up to Resolution L-574 which rescinded Resolution T-17632 establishing the 2019 CPUC prepaid Mobile Telephony Services surcharge rate.

This draft resolution is available at the Commission's website at www.cpuc.ca.gov. On **December 13, 2018** the Commission may vote on this resolution or it may postpone votes until later. When the Commission votes on a draft resolution, it may adopt all or part of it as written, amend or modify it, or set it aside and prepare a different resolution. Only when the Commission acts does a resolution become binding on the parties. The conformed resolution, when adopted by the Commission, will be available at the same website.

Pursuant to Public Utilities (PU) Code 311 (g), the above-identified draft resolution is available for public comments. Comments should be focused on factual, legal, and/or technical errors in the draft resolution. Comments must be limited to five pages in length and shall include a subject index listing the recommendations to the draft resolution, a table of authorities, and an appendix setting forth the proposed revised findings and ordering paragraphs.

The 30-day comment period is reduced to 5 days pursuant to Rule 14.6 (a)(7) of the Commission's Rules of Practice and Procedure, which allows for reduction waiver of the 30-day period for an "unforeseen emergency situation," including "[d]eadlines for Commission action imposed by ...courts...". Comments on this draft resolution are due on or before December 5, 2018.

The date of submission is the date the comments are received by the Communications Division. Parties must serve a copy of their comments on each party set forth on the service list attached to the draft resolution on the same date that the comments are submitted to the Communications Division.

Comments must be submitted no later than December 5, 2018, which is 8 days before the December 13, 2018 Commission Meeting.

Late-filed opening comments and/or reply comments will ordinarily be rejected. However, in extraordinary circumstances, a request for leave to submit comments or replies late may be filed together with proposed comments/replies. An accompanying declaration under penalty of perjury shall be submitted setting forth all the reasons for the late submission.
