

**DECISION 09-09-047 APPROVING 2010 TO 2012  
ENERGY EFFICIENCY PORTFOLIOS AND BUDGETS**

**COMMENTS IN HONOR OF  
ARTHUR H. ROSENFELD OF THE  
CALIFORNIA ENERGY COMMISSION**

Decision 09-09-047 represents an important step in maintaining the Commission's position as leaders in Energy Efficiency. It also represents a culmination of work that began so many years ago by pioneers, especially Arthur H. Rosenfeld of the California Energy Commission.

There is a saying that we are "but dwarves astride the shoulders of giants", that our achievements and progress are built upon a foundation laid by prior generations.

Without his unflagging commitment and transformational vision, we do not believe today's decision would have been possible. In reality this decision is as much his as ours.

Arthur H. Rosenfeld, the California Public Utilities Commission honors you by this decision and thanks you for your leadership, guidance, and vision.

Dated September 24, 2009, at San Francisco, California.
