**SAN DIEGO GAS & ELECTRIC COMPANY
NOTIFICATION OF EL CAJON PEAKER
COST RECOVERY APPLICATION NO. A.11-01-004**

On January 5, 2011, San Diego Gas & Electric Company (SDG&E®) filed a request with the California Public Utilities Commission (CPUC) for approval of cost recovery for SDG&E to own and operate the El Cajon 52 MW peaking facility (the "Peaker").

This Peaker will allow SDG&E to continue to provide a reliable supply of electricity to its bundled customers. The application seeks approval of a revenue requirement that would take effect on January 1, 2012, at the expiration of the current contract for this Peaker with the California Department of Water Resources.

Utility charges on your bill are for energy and transmission and distribution services. Only a part of the energy charges are at issue in this application. On an annual basis, SDG&E's cost recovery plan for the Peaker would result in costs of approximately \$4 million, excluding the cost of fuel for the Peaker.

SDG&E estimates that the requested \$4 million increase for the first year in electric revenues associated with the Peaker would be allocated in a manner shown in the table below.

ILLUSTRATIVE IMPACT ON ELECTRIC RATES AND BILLS

If the CPUC approves SDG&E's request, a typical non-CARE residential customer living in the inland climate zone and using 500 kilowatt-hours per month could see a monthly winter bill increase of 0.1%, or \$0.05. A typical monthly electric bill could increase from \$79.69 to

(Continued inside)

\$79.74. The percentages shown do not necessarily reflect the changes that you may see on your bill. Changes in individual bills will also depend on how much electricity each customer uses.

EVIDENTIARY HEARINGS

Evidentiary Hearings (EHs) may be held whereby parties of record will present their testimony and are subject to cross-examination before an Administrative Law Judge (ALJ). These EHs are open to the public, but only those who are parties of record can present evidence or cross-examine witnesses during the evidentiary hearings. After considering all evidence presented during the formal hearing process, the assigned ALJ will issue a proposed decision. Because the CPUC's approvals may differ from those SDG&E requests, actual rates may differ from what is described in this notice.

If you wish to provide public comment regarding this application filing, you can write to the CPUC's Public Advisor's Office (PAO), 505 Van Ness Ave., San Francisco, CA 94102 or by e-mail at public.advisor.la@cpuc.ca.gov. When writing to the PAO, please refer to A.11-01-004 in your correspondence.
