**NOTICE OF EVIDENTIARY HEARING BEFORE THE CALIFORNIA PUBLIC UTILITIES COMMISSION  
REGARDING PACIFIC GAS AND ELECTRIC COMPANY APPLICATION FOR APPROVAL OF ITS 2010 RATE  
DESIGN WINDOW PROPOSAL FOR 2-PART PEAK TIME REBATE AND RECOVERY OF INCREMENTAL  
EXPENDITURES REQUIRED FOR IMPLEMENTATION  
(A.10-02-028)**

**Pursuant to California Public Utilities Commission Rule 13.1(b), an Evidentiary Hearing for the above referenced matter is scheduled for April 23-27 2012 at 10:00 AM, at the following address:**

**California Public Utilities Commission Courtroom  
State Office Building 505 Van Ness Avenue, San Francisco, CA 94102**

In 2010, Pacific Gas & Electric Company (PG&E) filed application **A. 10-02-028** with the California Public Utilities Commission (CPUC). In A.10-02-028, PG&E presented its proposal for a **Peak Time Rebate (PTR) program** and requested cost recovery for PTR if the Commission approves the program. The PTR program would automatically apply to approximately 4.5 million PG&E residential electric customers when rollout is complete. To be eligible to participate, customers must have SmartMeter™ technology and be billed using hourly data.

PG&E's proposal would give a credit of \$0.75 for each kilowatt-hour (kWh) reduction below a usage level based on usage from days preceding the PTR event day. Customers participating in PG&E's SmartAC™ air conditioner (AC) program could receive additional credit savings by allowing their AC system to be cycled during PTR events. PG&E proposes to trigger the PTR program 9 to 15 days per year, from 1:00 p.m. to 6:00 p.m., based on temperatures or system constraints. PTR event days would be called by 2:00 pm on the preceding day.

**Evidentiary Hearings**

Evidentiary hearings are held in many cases, but only formal parties to a proceeding may participate. Formal parties present their evidence through direct testimony and exhibits. Other formal parties may cross-examine witnesses in an attempt to clarify or challenge any aspect of the testimony. The CPUC Administrative Law Judge (ALJ) assigned to the proceeding presides over the hearings, and must base a decision on the information provided during the proceeding, often referred to as "the record". Members of the public may attend, but not participate in, these hearings. The Commission Courtroom is wheelchair accessible.
