RE: **Notice of Acceptance of CPCN** by Liberty-Bell Telecom LLC dba DISH Network  
Phone & Internet (U7223C), **Application No. 11-10-006**

Dear Sir or Madam:

Liberty-Bell Telecom LLC dba DISH Network Phone & Internet ("Company") accepts the Certificate of Public Convenience and Necessity authorizing it to provide resold and limited facilities-based competitive local exchange and interexchange services. The CPCN was granted by the Commission in Decision No. 12-02-033 in Application 11-10-006,

We apologize for not filing this letter within 30 days of the decision. Neither the Company nor its consultant received notice of the order and only recently became aware that the decision was available on the Commission's website. If necessary, the Company requests a waiver of the filing deadline.

The required modifications to the Company's tariff will be filed under separate transmittal.

Please acknowledge receipt of this acceptance by date-stamping the enclosed copy and returning it in the self-addressed, postage-paid envelope provided.

Regards,

William P. Hunt
