Pursuant to Rule 8.3 of the Commission's Rules of Practice and Procedure, the City of Chino Hills submits this Notice of Ex Parte Communication.

On Monday, July 30, 2012 at approximately 11:00 am the City of Chino Hills held an ex parte meeting with President Michael Peevey. The meeting was initiated by Michael Day, counsel for the City of Chino Hills, and was attended by Mr. Day and Michael Fleager, City Manager for the City of Chino Hills. Also in attendance were Paul Clanon, Executive Director, and Frank Lindh, General Counsel of the Commission. The meeting took place at the CPUC's offices in Los Angeles and lasted about ninety minutes.

During the meeting the representatives of the City of Chino Hills discussed the feasible underground transmission options and the merits of such a proposal in comparison to SCE's adopted overhead transmission route. In addition, the Chino Hills representatives discussed the recent Assigned Commissioner's Ruling which set a schedule for hearings in the case.
