Dear Mr. Heitzman:

STATUS OF GRANT APPLICATION; MARINA COAST WATER DISTRICT (DISTRICT);
MONTEREY BAY REGIONAL DESALINATION PROJECT; DESALINATION PLANT,
PIPELINES AND STORAGE PROJECT (PROJECT); WATER RECYCLING FUNDING
PROGRAM (WRFPP); WRFPP PROJECT NO. 6514-110

Thank you for submitting an application for construction finance assistance for the District's Project. The District's Project is the desalination and distribution part of the Monterey Bay Regional Desalination project (MBRDP).

This Project relies on brackish water deliveries from the Monterey County Water Resources Agency (Agency, MCRWA). We will proceed with processing the financial assistance application once we either receive a financial assistance application from the MCWRA or assurances that the Agency has secured a viable project for its portion of the MBRDP.
