Rulemaking 08-08-009
(Filed August 21, 2008)

**ADMINISTRATIVE LAW JUDGE'S RULING REGARDING PETITION FOR
MODIFICATION OF DECISION 10-12-048**

Summary

This ruling notifies the parties on the service list for Rulemaking (R.) 08-08-009, R.11-05-005, and Application (A.) 08-07-017 that San Diego Gas & Electric Company's (SDG&E) petition for modification of Decision (D.) 10-12-048 (the Renewable Auction Mechanism or RAM Decision) which was filed on September 8, 2011 will be handled in A.08-07-017.

The deadline for filing responses to petition for modification of D.10-12-048 is September 23, 2011.

Discussion

On April 20, 2011, SDG&E filed a petition for modification of D.10-09-016 (SDG&E's Solar Energy Project Decision) in A.08-07-017. SDG&E's petition for modification of the Solar Energy Project Decision requests combining the solicitation of 74 megawatts of direct current local photovoltaic energy provided in D.10-09-016 with the solicitation process approved by the Commission in D.10-12-048.

In order to incorporate the changes necessary to conduct a single consolidated solicitation for renewable resources for both SDG&E's Solar Energy Project and the Renewable Auction Mechanism procurements as requested in SDG&E's Solar Energy Project petition, on September 8, 2011, SDG&E filed a petition to modify the RAM Decision.

Given the overlap of the two petitions, SDG&E's petition for modification of the RAM Decision will be handled in A.08-07-017. Accordingly, parties in R.08-08-009 or R.11-05-005 who wish to respond to SDG&E's September 8, 2011 petition for modification of D.10-12-048 should request to become a party in A.08-07-017 and file their responses in A.08-07-017 only.

Furthermore, responses to SDG&E's petition for modification of D.10-12-048 are due on September 23, 2011. As noted in SDG&E's petition to modify D.10-12-048, on June 24, 2011, I granted a shortened comment period for responses to SDG&E's RAM petition from 30 days to 15 days.

IT IS RULED that:

1. San Diego Gas & Electric Company's (SDG&E) petition for modification of Decision (D.) 10-12-048, which was filed on September 8, 2011 in Rulemaking (R.) 08-08-009 and served on the parties in the service list for R.11-05-005, and all further activity on this petition for modification will be addressed in Application (A.) 08-07-017.
2. Interested stakeholders who wish to respond to SDG&E's petition for modification of D.10-12-048 should requests for "party status" in A.08-07-017 and file responses in A.08-07-017 only. Anyone interested in only monitoring this petition for modification should request "information only" status in A.08-07-017.
