**ADMINISTRATIVE LAW JUDGE'S RULING  
RECEIVING OMITTED TESTIMONIES INTO THE RECORD**

This ruling identifies and rules into the record of the above captioned consolidated proceeding (Consolidated Proceeding) two direct prepared testimonies of two San Diego Gas and Electric Company (SDG&E) witnesses, as exhibits into the proceeding record, subject to motions to strike and/or other objections.

On December 30, 2011, the assigned Administrative Law Judge sent an e-mail to the service list and appearances of record in the Consolidated Proceeding that the testimonies served in the Consolidated Proceeding would be ruled into the record before the proceeding record closes and received as exhibits into the record, subject to motions to strike and/or other objections. No objections have since been received.

On February 16, 2012, I issued a ruling by which the testimonies I had been served as of that date in the Consolidated Proceeding were marked, identified and admitted into the record.

SDG&E since reserved two previously served prepared direct testimonies of its witnesses which were inadvertently omitted in the February 16, 2012 ruling.

They are marked and identified on Appendix A to this ruling.

**Therefore IT IS RULED that:**

1. The two prepared direct testimonies marked and identified on Appendix A, First Amended Exhibit List, as Exhibit Nos. 33-A and 33-B are received into the record;
2. Any motion to strike must be filed within 10 days of this ruling as to Exhibit Nos. 33-A and 33-B. A party objecting and seeking to strike any portion of these exhibits ruled in by this ruling must first meet and confer and in good faith to try to reach an informal resolution before filing a motion to strike; and
3. As envisioned by the January 26, 2012 Amended Scoping Memo Ruling, the submission date and close of record for all issues within the scope of this Consolidated Proceeding, with the exception of (1) pending pilot review, and (2) issues of cost effectiveness methodology, multifamily sector, remains February 16, 2012. However, for any timely filed motion, if there are any, responsive to the exhibits, I will allow reopening of the record on the closed issues solely to entertain such motion(s).

Dated March 1, 2012, at San Francisco, California.
