**ADMINISTRATIVE LAW JUDGE'S RULING  
SUSPENDING THE SCHEDULE IN THIS PROCEEDING**

This ruling suspends the schedule in this proceeding. Mediation was held on March 29 & 30, 2012. March 30, 2012 was also the original deadline for service of opening testimony, but to alleviate the pressure of engaging in mediation while at the same time preparing testimony, the deadline for service of testimony was suspended by the Administrative Law Judge via email.

Parties have indicated that a settlement has been reached, however, a month has passed and no joint motion for adoption of the settlement has been filed. Evidentiary hearings are currently scheduled for May 22, 23, & 24, 2012. Given that the date for service of testimony has been suspended, the evidentiary hearing dates must also be suspended. The proceeding cannot be suspended indefinitely, therefore, if no motion for adoption of the settlement is filed by

June 8, 2012, a new schedule for testimony and evidentiary hearings will be set by ruling.

**IT IS SO RULED.**

Dated May 2, 2012, at San Francisco, California.
