**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

Order Instituting Rulemaking Regarding Policies, Procedures and Rules for the California Solar Initiative, the Self-Generation Incentive Program and Other Distributed Generation Issues.

Rulemaking 08-03-008  
(Filed March 13, 2008)

**ADMINISTRATIVE LAW JUDGE'S RULING EXTENDING THE DUE DATE FOR SUBMITTAL OF THE CALIFORNIA SOLAR INITIATIVE PROGRAM EVALUATION TASKS AND BUDGET ADVICE LETTERS**

The Assigned Commissioner's Ruling Establishing Program Evaluation Plan for the California Solar Initiative (CSI),<sup>1</sup> requires the Program Administrators (PAs) to file an advice letter for program evaluation tasks and budget no later than 30 days after the final ruling on the Evaluation Plan is issued in the first year and by August 1st every year thereafter. The first-year CIS Program Evaluation Tasks and Budget advice letters were due on August 28, 2008.

On August 28, 2008, Pacific Gas and Electric Company (PG&E), on behalf of the PAs of the CSI, submitted a motion requesting a one month extension for submittal of the advice letters. The motion indicates that the CSI PAs have been coordinating with the Energy Division, but need additional time to finalize the advice letter filing.
