Order Instituting Rulemaking to Examine the Commission's Post-2008 Energy Efficiency Policies, Programs, Evaluation, Measurement, and Verification, and Related Issues.

Rulemaking 09-11-014
(Filed November 20, 2009)

ADMINISTRATIVE LAW JUDGE'S RULING GRANTING MOTION FOR PARTY STATUS FILED BY CONSUMER FEDERATION OF CALIFORNIA

By motion filed on October 11, 2011, the Consumer Federation of California (CFC) request that it be given party status in this proceeding. For the reasons set forth below, this Ruling grants CFC's request for party status.

CFC is a non-profit federation of consumer groups, labor organizations, senior citizen groups, and other organizations and individuals. CFC asserts that it seeks to add insight and constructive comments and that it has an interest in assuring that rates are not increased unless they are in the ratepayer's interest.

IT IS RULED that the October 11, 2011, motion for party status filed by the Consumer Federation of California is granted. Consistent with our grant of party status, the following is added to the service list as appearing for the Consumer Federation of California:

Nicole A. Blake
Staff Attorney
Consumer Federation of California
1107 9th Street, Suite 625
Sacramento, CA 958014
Office: (916) 498-9608
blake@consumercal.org

Dated October 25, 2011, at San Francisco, California.
