On August 2, 2012, the Commission adopted Decision 12-08-016, which adopted the Energy Storage Framework Staff Proposal (Staff Proposal) of Commission Staff. The Staff Proposal contained a framework to analyze energy storage and identified 20 "end uses." These end uses were then combined into four basic "scenarios" for further analysis. The decision initiated a second phase of this proceeding to analyze the priority scenarios contained in the Staff Proposal.

A prehearing conference (PHC) shall be held on September 4, 2012, at 10:00 a.m. in the Commission Courtroom, State Office Building, 505 Van Ness Avenue, San Francisco, California. The purpose of the PHC will be to discuss the scope and procedural schedule for the second phase. Parties should be prepared to present a joint proposed schedule at the PHC.

Prior to the PHC, Energy Division Staff shall conduct a workshop with interested parties to discuss the priority scenarios and to identify any disputed material issues of fact that would require evidentiary hearings. The workshop shall be held on August 20, 2012, from 9:30 a.m. to 4:00 p.m. in the

Commission Auditorium, State Office Building, 505 Van Ness Avenue,  
San Francisco, California.
