

**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

Chevron Products Company,

Complainant,

vs.

Equilon Enterprises LLC, dba Shell Oil Products  
US, and Shell Trading (US) Company,

Defendants.

Case 05-12-004  
(Filed December 5, 2005)

**ADMINISTRATIVE LAW JUDGE'S RULING  
GRANTING PETITION TO INTERVENE**

Pursuant to Rule 53 of the Rules of Practice and Procedure, Tesoro Refining and Marketing Company (Tesoro) petitions to intervene as a party in this complaint proceeding. Tesoro states that it uses the same pipeline at issue in this proceeding, and that the factual basis of the complaint applies equally to Tesoro. Tesoro states that its intervention as a party will not unduly expand the issues in this case and will not delay resolution of this matter. The petition to intervene was filed on December 13, 2005, and it has not been opposed.

This ruling grants the request to intervene as a party. Since material issues of law are likely to be important in this case, the Commission is likely to benefit from briefings of these issues by multiple parties.

**IT IS RULED** that the petition of Tesoro Refining and Marketing Company to intervene and become a party in this complaint proceeding is granted.

Dated January 17, 2006, at San Francisco, California.
