BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of SOUTHERN CALIFORNIA EDISON COMPANY (U 338-E) for Authority to Lease Available land on the Center-Del-Amo/Alamitos-Center Right of Way to RHC Communities, LLC.

Application 06-06-012
(Filed June 8, 2006)

DECISION CLOSING PROCEEDING**Summary**

This decision closes Application 06-06-012 because the Commission has previously resolved all issues related to this application in Decision (D.) 06-10-011 and D.09-03-037.

Background

On October 5, 2006, the Commission adopted Decision 06-10-011, which approved Southern California Edison Company's (SCE) Application (A.) 06-06-012 for authorization pursuant to Section 851 to lease 19.6 acres of its property to RHC Communities, LLC, which would then sublease 12.4 acres to the City of Bellflower (City) for use as a municipal park. D.06-10-011 also closed this proceeding.

On December 16, 2008, SCE filed a petition for modification of D.06-10-011, because, due to a change in plans, SCE wished to lease the 12.4 acres directly to the City for use as a municipal park. This petition reopened the proceeding.

On March 26, 2009, the Commission adopted D.09-03-037, which granted SCE's petition for modification. However, due to an inadvertent error, D.09-03-037 did not close the proceeding.

Discussion

Since the Commission has fully adjudicated all issues related to A.06-06-012, there is no need for this proceeding to remain open.

Conclusion

Based on the above discussion, this proceeding is closed, effective today.

Comments on Proposed Decision

Accordingly, pursuant to Section 311(g)(2) of the Public Utilities Code and Rule 14.6(c)(2) of the Commission rules of Practice and Procedure, the otherwise applicable 30-day period for public review and comment is waived.
