Rule 1.3 Who is entitled to File?

Only those carriers which have already been granted a Certificate of Public Convenience and Necessity (CPCN) for providing local exchange service, or which have an application pending at this Commission for a CPCN for providing local exchange service, are entitled to make use of the Section 252 processes described in these rules. Parties shall include in their filing, the decision number of the decision which granted them a CPCN or the application number if a CPCN application is pending. Any entity that is not required to have a CPCN but qualifies as a “telecommunications carrier” that is authorized to provide “telecommunications services” to the public consistent with the Act, may utilize the procedures set forth in Rule 6.

Rule 1.4 Conflicting Rules

All petitions filed pursuant to Sections 251 and 252 will be governed by the Commission's Rules of Practice and Procedure unless such rules are in conflict with the rules contained herein. If there is a conflict, the rules herein will apply.

Rule 2. Request for Mediation

Rule 2.1 Who May Request

Any party to a negotiation may file a request at any time that the Commission mediate any differences preventing an agreement. The request shall set forth the identity of all parties to the mediation, and any time constraints on resolution of the issues.

Rule 2.2 Appointment of Mediator

Upon receipt of a request for mediation from a party engaged in negotiations for an agreement for interconnection, services, or unbundling of network elements, the Commission's President or a designee in consultation with the Chief Administrative Law Judge, shall appoint a qualified Mediator to facilitate resolution of all disputes involved in the negotiations.

Rule 2.3 Parties' Statements

Within 15 days of the filing of a request for mediation, each party to the negotiations shall submit to the Mediator a written statement summarizing the dispute and shall furnish such other material and information to familiarize the Mediator with the dispute. The Mediator may require any party to supplement such information.

Rule 2.4 Initial Mediation Conference

Within 10 days of the filing of the parties' statements, the Mediator shall convene an Initial Mediation Conference. At the Initial Mediation Conference, the parties and Mediator shall discuss a procedural schedule. The parties and Mediator shall also attempt to identify, simplify, and limit the issues to be resolved. Each party should be prepared to present its case informally to the Mediator at the Initial Mediation Conference.

Rule 2.5 Conduct of the Mediation

The Mediator, subject to the rules contained herein, shall control the procedural aspects of the mediation.

Rule 2.6 Mediations Closed to the Public

To provide for effective mediation, participation in mediations is strictly limited to the parties that were negotiating an agreement contemplated by Sections 251 and 252. All mediation proceedings shall remain closed to the public.

Rule 2.7 Caucusing

The Mediator is free to meet and communicate separately with each party. The Mediator shall decide when to hold such separate meetings. The Mediator may request that there be no direct communication between the parties or between their representatives without the concurrence of the Mediator.

Rule 2.8 Joint Meetings

The Mediator shall decide when to hold joint meetings with the parties and shall fix the time and place of each meeting and the agenda thereof. Formal rules of evidence shall not apply to these meetings or any portion of the mediation proceeding.

Rule 2.9 No Stenographic Record

No record, stenographic or otherwise, shall be taken of any portion of the mediation proceeding.

Rule 2.10 Exchange of Additional Information

If any party has a substantial need for documents or other material in the possession of another party, the parties shall attempt to agree on the exchange of requested documents or other material. Should they fail to agree, either party may request a joint meeting with the Mediator, who shall assist the parties in reaching agreement. At the conclusion of the mediation process, upon the request of a party which provided documents or other material to one or more mediating parties, the recipients shall return such documents or material to the originating party without retaining copies thereof.

Rule 2.11 Request for Further Information by the Mediator

The Mediator may request any mediating party to provide clarification and additional information necessary to assist in the resolution of the dispute.

Rule 2.12 Responsibility of the Parties to Negotiate and Participate

The parties are expected to initiate proposals for resolution. Each party shall provide a justification for any terms of resolutions that it proposes.

Rule 2.13 Authority of the Mediator

The Mediator does not have the authority to impose a settlement on the parties but shall attempt to help them reach a satisfactory resolution of the dispute. The Mediator is authorized to make only to the parties oral and written recommendations of resolution at any point in the mediation.

Rule 2.14 Reliance by Mediator Upon Experts

During the mediation the Mediator may rely on experts retained by, or on the Staff of, the Commission. Such expert(s) shall assist the Mediator during the mediation process.

Rule 2.15 Impasse and Recommended Resolution of Mediator

In the event that the parties fail to reach resolution of their differences, the Mediator, before terminating the mediation, shall submit to the parties a final proposed agreement. If a party does not accept the Mediator's proposed agreement, it shall advise the Mediator within 10 days of the Mediator's issuance of the proposed agreement.

Rule 2.16 Termination of the Mediation

The mediation shall be terminated upon any of the following: (1) execution of a mediated agreement by the mediating parties, (2) serving of a written declaration on the other parties and the Mediator, by a party that the mediation proceedings are terminated, or (3) presentation of a written declaration to the parties and to the Commission by the Mediator that further efforts at mediation would be futile. The written Mediator's declaration shall be conclusory and neutrally worded so as not to permit any negative inference respecting any party to the mediation.

Rule 2.17 Confidentiality

a. The entire mediation process is confidential, except for the terms of the final mediated agreement. The parties, the Mediator and any participating Commission experts shall not disclose information regarding the mediation process, except the final mediated terms, to any Commissioner or nonparticipating Commission Staff, nor to any other

third parties, unless all parties agree to disclosure; provided, however, that the Commissioners may be informed of the identity of the participants and in the most general manner of the progress of the mediation. The confidentiality of the mediation is covered by Rule 12.6 of the Commission's Rules of Practice and Procedure.

b. Except as the parties otherwise agree, the Mediator shall keep confidential any written materials or other information submitted to the Mediator. All records, reports, or other documents received by the Mediator while serving in that capacity shall remain confidential. The mediating parties and their representatives are not entitled to receive or review any such materials or information submitted to the Mediator by another party or representative, without the concurrence of the submitting party. At the conclusion of the mediation, the Mediator shall return to the submitting party all written materials and other information which that party had provided to the Mediator.

Rule 2.17.1 Confidentiality to be Maintained in Subsequent Proceedings

The Mediator shall not be compelled to divulge records, documents and other information submitted to him or her during the mediation proceeding, nor shall the Mediator be compelled to testify in regard to the mediation, in any subsequent adversarial proceeding or judicial forum. The parties shall maintain the confidentiality of the mediation and shall not rely on, or introduce as evidence in any arbitration, judicial or other proceeding, any of the following: (a) views expressed or suggestions made by another party with respect to a possible resolution of the dispute, (b) admissions made by another party in the course of the mediation, (c) proposals made or views expressed by the Mediator, or (d) the fact that another party had or had not indicated willingness to accept a proposed agreement made by the Mediator.

Rule 2.18 Post-Agreement Procedure

Once the parties reach final agreement during this process, they shall submit the proposed agreement to the Commission for approval. The proposed agreement should contain a showing that (1) the negotiated agreement would not discriminate against a telecommunications carrier not a party to the mediated agreement; (2) its implementation would be consistent with the public interest, convenience and necessity; and (3) the agreement would meet the Commission's service quality standards for telecommunications services as well as the requirements of all other rules, regulations, and orders of the Commission.

Rule 3. Request for Arbitration

Rule 3.1 Filing

A party to a negotiation entered into pursuant to Section 251 of the 1996 Act may file a request for arbitration.

Rule 3.2 Time to File

A request for arbitration may be filed not earlier than the 135th day nor later than the 160th day following the date on which an incumbent local exchange carrier receives the request for negotiation. The arbitration shall be deemed to begin on the date of the filing before the Commission of the request for arbitration. Parties to the arbitration may continue to negotiate an agreement prior to and during the arbitration hearings. The party requesting arbitration shall provide a copy of the request to the other party or parties not later than the day the Commission receives the request.

Rule 3.3 Service

Any party that wants to receive notice of arbitrations must subscribe to the Arbitration List Serve. The List Serve will be maintained by the members, who are responsible for updating their information annually. Any carrier that wants to file an arbitration must first subscribe to the Arbitration List Serve because only members of the List Serve will be able to send to the group. After subscribing, the carrier must send the arbitration to the list once the arbitration is filed. The filer will still need to file with the Commission's Docket Office via e-filing. The Arbitration List Serve will be used for all filings under these rules, until a more focused list is established for a particular arbitration proceeding. The Arbitration List Serve may be found on the Commission's website at <http://www.cpuc.ca.gov/list/wa.exe?A0=ARBITRATION>. The Instructions for the List Serve are included as Appendix A.

Rule 3.4 Content

A request for arbitration must contain:

- a. A statement of all unresolved issues.
- b. A description of each party's position on the unresolved issues.
- c. A proposed agreement addressing all issues, including those upon which the parties have reached an agreement and those that are in dispute. Wherever possible, the petitioner should rely on the fundamental organization of clauses and subjects contained in an agreement previously arbitrated and approved by this Commission.

- d. Direct testimony supporting the requester's position on factual predicates underlying disputed issues.
- e. Documentation that the request complies with the time requirements of Rule 3.2 and the CPCN requirement of Rule 1.3.

Rule 3.5 Appointment of Arbitrator

Upon receipt of a request for arbitration, the Commission's President or a designee in consultation with the Chief Administrative Law Judge, shall appoint and immediately notify the parties of the identity of an Arbitrator to facilitate resolution of the issues raised by the request. The Assigned Commissioner may act as Arbitrator if he/she chooses. The Arbitrator must attend all meetings, conferences and hearings as described in Rules 3.9 and 3.10.

Rule 3.6 Discovery

Discovery should begin as soon as possible prior to or after filing of the request for negotiation and shall continue up until hearings begin, unless the Arbitrator sets a later date for completion of discovery. For good cause, the Arbitrator or Administrative Law Judge assigned to Law and Motion may compel response to a data request; in such cases, the response normally will be required in three working days or less. Once an arbitration request is filed, any motions to compel filed previously which relate to that arbitration should be filed in that docket.

Rule 3.7 Opportunity to Respond

Pursuant to Subsection 252(b)(3), any party to a negotiation which did not make the request for arbitration ("respondent") shall file a response with the Commission within 25 days of the request for arbitration. In the response, the respondent shall address each issue listed in the request, describe the respondent's position on these issues, and identify and present any additional issues for which the respondent seeks resolution and provide such additional information and evidence necessary for the Commission's review. Building upon the contract language proposed by the applicant and using the form of agreement selected by the applicant, the respondent shall include, in the response, a single-text mark-up document containing the language upon which the parties agree and, where they disagree, both the applicant's proposed language (bolded) and the respondent's proposed language (underscored). Finally, the response should contain any direct testimony supporting the respondent's position on underlying factual predicates. On the same day that it files its response before the Commission, the respondent must serve a copy of the Response and all supporting documentation on any other party to the negotiation.

Rule 3.8 Revised Statement of Unresolved Issues

Within seven days of receiving the response, the applicant and respondent shall jointly file a revised statement of unresolved issues that removes from the list presented in the initial petition those issues which are no longer in dispute based on the contract language offered by the respondent in the mark-up document and adds to the list only those other issues which now appear to be in dispute based on the mark-up document and other portions of the response.

Rule 3.9 Initial Arbitration Meeting

An Arbitrator may call an initial meeting for purposes such as setting a schedule, simplifying issues, or resolving the scope and timing of discovery.

Rule 3.10 Arbitration Conference and Hearing

Within 10 days after the filing of a response to the request for arbitration, the arbitration conference and hearing shall begin. The conduct of the conference and hearing shall be noticed on the Commission calendar and notice shall be provided to all parties on the service list.

Rule 3.11 Limitation of Issues

Pursuant to Subsection 252(b)(4)(A), the Arbitrator shall limit the arbitration to the resolution of issues raised in the petition, the response and the revised statement of unresolved issues (where applicable). However, in resolving these issues, the Arbitrator shall ensure that such resolution meets the requirements of the 1996 Act. In resolving the issues raised, the Arbitrator may take into account any issues already resolved between the parties.

Rule 3.12 Arbitrator's Reliance on Experts

The Arbitrator may rely on experts retained by, or on the Staff of, the Commission. Such expert(s) may assist the Arbitrator throughout the arbitration process.

Rule 3.13 Close of Arbitration

The arbitration shall consist of mark-up conferences and limited evidentiary hearings. At the mark-up conferences, the arbitrator will hear the concerns of the parties, determine whether the parties can further resolve their differences, and identify factual issues that may require limited evidentiary hearings. The arbitrator will also announce his or her rulings at the conferences as the issues are resolved. The conference and hearing process shall conclude within 10 days of the hearing's commencement, unless the Arbitrator determines otherwise.

Rule 3.14 Expedited Stenographic Record

An expedited stenographic record of each evidentiary hearing shall be made. The cost of preparation of the expedited transcript shall be borne in equal shares by the parties.

Rule 3.15 Authority of the Arbitrator

In addition to authority granted elsewhere in these rules, the Arbitrator shall have the same authority to conduct the arbitration process as an Administrative Law Judge has in conducting hearings under the Rules of Practice and Procedure. The Arbitrator shall have the authority to change the arbitration schedule contained in these rules as long as the revised schedule adheres to the deadlines contained in the 1996 Act.

Rule 3.16 Participation in the Arbitration Conferences and Hearings

Participation in the arbitration conferences and hearings is strictly limited to the parties that were negotiating an agreement pursuant to Sections 251 and 252. Only the parties involved in the arbitration will be granted party status. Any other interested parties will be placed on the "Information Only" portion of the service list.

Rule 3.17 Arbitration Open to the Public

Though participation at arbitration conferences and hearings is strictly limited to the parties that were negotiating the agreements being arbitrated, the general public is permitted to attend arbitration hearings unless circumstances dictate that a hearing, or portion thereof, be conducted in closed session. Any party to an arbitration seeking a closed session must make a written request to the Arbitrator describing the circumstances compelling a closed session. The Arbitrator shall consult with the assigned Commissioner and rule on such request before hearings begin.

Rule 3.18 Filing of Post-Hearing Briefs

Each party to the arbitration may file a post-hearing brief within seven days of the end of the mark-up conferences and hearings unless the Arbitrator rules otherwise. Post-hearing briefs shall present a party's argument in support of adopting its recommended position with all supporting evidence and legal authorities cited therein. The length of post-hearing briefs may be limited by the Arbitrator and shall otherwise comply with the Commission's Rules of Practice and Procedure. The arbitrator may also elect to require the filing of Reply Briefs.

Rule 3.19 Filing of Draft Arbitrator's Report

Within 15 days following the hearings, the Arbitrator, after consultation with the Assigned Commissioner, shall file a Draft Arbitrator's Report. The Draft Arbitrator's Report will include (a) a concise summary of the issues resolved by

the Arbitrator, and (b) a reasoned articulation of the basis for the decision.

Rule 3.20 Filing of Comments on the Draft Arbitrator's Report

Each party and any member of the public may file comments on the Draft Arbitrator's Report (DAR) within 10 days of its release. Such comments shall not exceed 20 pages, unless otherwise authorized by the Arbitrator for the respective parties in arbitration, and shall focus on factual, legal or technical errors in the DAR. In citing such errors, parties shall make specific references to the record. Comments which merely reargue positions taken in briefs will be accorded no weight and are not to be filed. Reply Comments, if ordered by the arbitrator, shall be limited to identifying misrepresentations of law, fact or condition of the record contained in comments.

Rule 3.21 Filing of the Final Arbitrator's Report

The Arbitrator shall file the Final Arbitrator's Report no later than 15 days after the filing date for comments. Whenever the assigned Commissioner is not acting as the Arbitrator, the assigned Commissioner will participate in the release of the Final Arbitrator's Report consistent with the Commission's filing of Proposed Decisions as set forth in Rule 14.2 of the Commission's Rules of Practice and Procedure.

Rule 3.22 Ex Parte Rules Applicable to Arbitration Proceedings

Arbitration proceedings are covered by the ex parte rules applicable to ratesetting proceedings found in Article 8.2(c) of the Commission's Rules of Practice and Procedure.

Rule 3.23 Submission Date

Arbitration proceedings shall be deemed to be submitted with the filing of post-hearing briefs.

Rule 3.24 Unbundled Network Element (UNE) Rates

For any incumbent local exchange carrier (ILEC) for whom the Commission has adopted unbundled network element (UNE) rates, those rates should be included in all arbitrated agreements for that ILEC. The Commission does not intend to re-litigate UNE rates during the course of an arbitration proceeding.

Rule 4.1 Agreements Reached by Mediation

Applications for approval of agreements reached by mediation shall contain a copy of the agreement. The agreement shall itemize the charges for interconnection and each service or network element included in the agreement.

Rule 4.1.3 Comments by Members of the Public

Any member of the public (including the parties to the agreement and competitors) may file comments concerning the mediated agreement within 30 days of the submission of an application for approval. Such comments shall be limited to the standards for rejection provided in Rule 4.1.4.

Rule 4.1.4 Standards for Rejection

The Commission shall reject an agreement (or portion thereof) if it finds that:

- a. the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or
- b. the implementation of the agreement (or portion thereof) is not consistent with the public interest, convenience, and necessity; or
- c. the agreement (or portion thereof) violates other requirements of the Commission, including, but not limited to, quality of service standards adopted by the Commission.

Any order rejecting an agreement shall contain written findings as to the deficiencies.

Rule 4.2 Agreements reached by Arbitration

Rule 4.2.1 Filing of Conformed Agreement

Within seven days of the filing of the Final Arbitrator's Report, the parties shall file the entire agreement for approval. Concurrently with the filing of the conformed agreement, parties shall each file statements which indicate:

- a. the tests the Commission must use to measure an agreement for approval or rejection,
- b. whether the party believes the agreement passes or fails each test, and

c. whether or not the agreement should be approved or rejected by the Commission.

Also, any member of the public may file comments concerning the arbitrated agreement within 10 days of the filing of the agreement. The scope of such comments shall be limited to the standards for review provided in Rule 4.2.3.

Rule 4.2.2 Commission Review of Arbitrated Agreement

Within 30 days following filing of the arbitrated agreement, the Commission shall issue a decision approving or rejecting the arbitrated agreement (including those parts arrived at through negotiations) pursuant to Subsection 252(e) and all its subparts.

Rule 4.2.3 Standards for Review

Pursuant to Subsection 252(3)(2)(B), the Commission may reject arbitrated agreements or portions thereof that do not meet the requirements of Section 251, the FCC's regulations prescribed under Section 251, or the pricing standards set forth in Subsection 252(d). Pursuant to Subsection 252(e)(3), the Commission may also reject agreements or portions thereof which violate other requirements of the Commission, including, but not limited to, quality of service standards adopted by the Commission.

Rule 4.2.4 Written Findings

The Commission's decision approving or rejecting an arbitration agreement shall contain written findings. In the event of rejection, the Commission shall address the deficiencies of the arbitrated agreement in writing and may state what modifications of such agreement would make the agreement acceptable to the Commission.

Rule 4.2.5 Application for Rehearing

A party, as defined in Rule 3.15, wishing to appeal a Commission decision approving an arbitrated agreement may seek administrative review pursuant to the Commission's Rules of Practice and Procedure.

Rule 4.3 Approval of Agreements Reached by Negotiation

Rule 4.3.1 Content

A request for approval of an agreement reached by negotiation shall be filed as a Tier III Advice Letter as provided in GO 96-B and must state that it is a voluntary agreement being filed for approval under Section 252 of the Act. The request for approval of agreements reached by negotiation shall contain a copy of the agreement and a showing that the agreement meets the standards contained in

Rule 4.3.2 Service List

All local exchange carriers shall set up a separate service list for “Section 252 Interconnection Agreements.” Rule 4.3 of GO 96-B states:

To the extent practical, the utility shall maintain separate lists for different types of advice letters...and shall identify the separate lists at the utility’s Internet site, so that persons may request and receive only those advice letters of interest.

In this way, interested parties will obtain only interconnection agreement Advice Letters for those carriers they are interested in.

The Section 252 Interconnection Agreement service lists will be used for all Advice Letter filings pursuant to Section 252, including amendments to previously approved agreements and Section 252(i) filings.

Rule 4.3.3 Comments by Members of the Public

Any member of the public (including the parties to the agreement and competitors) may file a protest concerning the negotiated agreement as provided by GO 96-B. Such protest shall be limited to the standards for rejection provided in Rule 4.1.4.

Rule 4.3.5 Copies of Agreements Reached by Negotiation

Paper copies of negotiated agreements approved by the Commission shall be obtained from one of the carriers that is a party to the agreement. In addition, electronic copies of negotiated agreements may be obtained from the Commission’s Communications Division for a charge. Carriers may charge a reasonable amount for photocopying an agreement. Also, carriers shall include electronic copies of approved interconnection agreements on their websites, or provide electronic copies of approved interconnection agreements. Carriers may charge a reasonable amount for providing an electronic copy of an agreement.

Amendments to any agreements approved under these rules shall be submitted to the Communications Division by Advice Letter.

Rule 5.2 Amendment Approval Process

Such Tier II Advice Letters will be deemed approved without a Commission Resolution 30 days from the date the Advice Letter is filed, unless the Commission takes formal action to reject an Advice Letter. The Director of the Communications Division shall have authority to require additional information explaining the contents of an Advice Letter and to require parties to file supplements to their Advice Letters. The Director of the Communications Division may also stay the effective date of an Advice Letter, pending action by the Commission.

Rule 6. Process for Adopting a Previously Approved Agreement Pursuant to 252(i)

Rule 6.1 Notification and Scope

Requests to adopt an interconnection agreement previously approved by the Commission shall be submitted to the Communications Division by Advice Letter or by Letter of Intent.

Certificated carriers which are authorized to file Advice Letters should use the Advice Letter process to notify the Commission of adoption of an approved interconnection agreement, subject to the limitations set forth in Rule 6.2. Other entities which are considered “telecommunications carriers” under the Act, but which are not authorized to file Advice Letters, shall file a Letter of Intent with the Communications Division. One-way paging companies, wireless carriers, or public agencies operating as telecommunications carriers are among those who should file Letters of Intent.

The Advice Letter or Letter of Intent shall state the intent to adopt a specific agreement in its entirety.

The Advice Letter or Letter of Intent shall be served on the ILEC with whom the carrier wishes to execute the interconnection agreement no later than the date the Advice Letter or Letter of Intent is filed with the Commission’s Communications

Division. Also, the Advice Letter or Letter of Intent shall be served on the parties on the carrier's "Section 252 Interconnection Agreement" service list.

Neither carrier may propose alterations to the terms of the underlying agreement.

This Rule is limited to those matters consistent with the Act.

Rule 6.2 Incumbent Local Exchange Carrier's Response

Within 15 days of its receipt of the Advice Letter or Letter of Intent, the ILEC shall either send the requesting carrier a letter approving its request or file a request for arbitration based solely on the requirements in Code of Federal Regulations (CFR)¹ § 51.809:

a. Any agreement in its entirety to which the ILEC is a party, and which was approved by the Commission pursuant to Section 252 of the Telecommunications Act of 1996, must be made available upon the same rates, terms, and conditions as those provided in the agreement. An ILEC may not limit the availability of any agreement only to those requesting carriers serving a comparable class of subscribers or providing the same service (i.e., local access, or interexchange) as the original party to the agreement.

b. The obligations of section (a) above shall not apply where the ILEC proves to the state commission that:

(1) The costs of providing a particular agreement to the requesting telecommunications carrier are greater than the costs of providing it to the telecommunications carrier that originally negotiated the agreement.

(2) The provision of a particular agreement to the requesting carrier is not technically feasible.

c. Individual agreements shall remain available for use by telecommunications carriers pursuant to this section for a reasonable period of time after the approved agreement is available for public inspection under 252 (h) of the Act.

If the ILEC does not act to approve the request or to file a request for arbitration, the carrier's request will be deemed effective on the 16th day.

¹ Title 47: Telecommunication (December 2005)

Rule 6.3 Rules for Arbitrations conducted Pursuant to this Rule

Rule 6.3.1 Content of Arbitration Request

In any application for arbitration filed pursuant to Rule 6, the ILEC has the burden of proof that the carrier's request does not meet the requirements of CFR § 51.809. The ILEC's request for arbitration must include facts and evidence that its request for arbitration is consistent with the requirements of CFR § 51.809 and Rule 6.2.

Rule 6.3.2 Effective Date of Arbitrated Agreement

Should the ILEC file for arbitration, the ILEC shall immediately honor the adoption of those terms not subject to objection pursuant to Rule 7.2, effective as of the date of the filing of the arbitration request. Furthermore, to the extent the ILEC seeks arbitration of the costs of a particular interconnection, service or element, the ILEC shall immediately honor such provisions subject to retroactive price true-up back to the date when the arbitration request was filed, based on the Commission's resolution of the arbitration. The effective date of other disputed issues will be set in the arbitration process and could be made effective retroactive to the date when the arbitration request was filed.

Rule 6.3.3 Modifications to Existing Arbitration Rules

The existing rules for arbitration cases, "Rule 3 Request for Arbitration" remain in effect, with the following exceptions:

Rule 3.1 "Filing" is amended to state that the ILEC which disputes a carrier's request to adopt another carrier's agreement may file a request for arbitration.

Rule 3.2 "Time to File" does not apply. The ILEC has 15 days from receipt of the Advice Letter to file a request for arbitration.

Rule 3.4 "Content" is amended as follows:

A request for arbitration must contain:

- a. A statement of why the request should be denied pursuant to CFR § 51.809.
- b. Direct testimony supporting the ILEC's position.

Rule 3.6 “Discovery” is amended as follows:

Discovery should begin as soon as the ILEC files the request for arbitration. For good cause, the Arbitrator or Administrative Law Judge assigned to Law and Motion may compel response to a data request; in such cases, the response normally will be required in three working days or less.

Rule 3.7 “Opportunity to Respond” is amended to delete the statement that the respondent may identify additional issues for which the respondent seeks resolution. The respondent does not need to file a “mark-up” of the proposed agreement.

Rule 3.8 Does not apply.
