**NOTICE OF DRAFT RESOLUTIONS
(Pursuant to PU Code § 311(g))**

This alternate to draft resolution T16818 differs from the proposed resolution in one significant way: It affirms and maintains the Telecommunications Division's policy as adopted in previous resolutions to use the "non-recurring burden test" to permit the discounting or waiver of non-recurring charges when the service provided covers costs. As a consequence, this resolution does not trigger immediate \$56 million in price increases for SBC's telecommunications services which were approved previously through use of the "burden test" is available at the Commission's web site:
