EXHIBIT A

CEQA Exemption Legend

1 – Title 14, Section 15301 of the California Code of Regulations, which exempts the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of *existing* public or private structures, facilities, or topographical features.

2 – Title 14, Section 15302 of the California Code of Regulations, which exempts the replacement or reconstruction of existing facilities with the same purpose and capacity as the structure replaced.

3 – Title 14, Section 15303 of the California Code of Regulations, which exempts the construction of a limited number of new, small facilities or structures.

4 – Title 14, Section 15304 of the California Code of Regulations, which exempts "minor public or private alterations in the condition of land, water, and/or vegetation which do not involve the removal of healthy, mature, scenic trees except for forestry and agricultural purposes."

5 – Title 14, Section 15305 of the California Code of Regulations, which exempts "minor alterations in land use limitations" such as minor encroachment permits.

11 – Title 14, Section 15311 of the California Code of Regulations, which exempts the "construction, or placement of minor structures accessory to (appurtenant to) existing commercial, industrial, or institutional facilities, including . . . small parking lots."

16 – Title 14, Section 15316 of the California Code of Regulations, which exempts the "transfer of land in order to establish a park where the land is in its natural condition."

23 – Title 14, Section 15323 of the California Code of Regulations, which exempts normal operations of existing facilities for public gatherings where there is a past history of the facility being used for the same or similar kind of purpose.

EIR – Environmental impact report

Mitigated neg. decl. – Mitigated negative declaration

Neg. decl. – Negative declaration

Pre-dates CEQA – Transaction entered into prior to effective date of CEQA
