## Storage Facilities

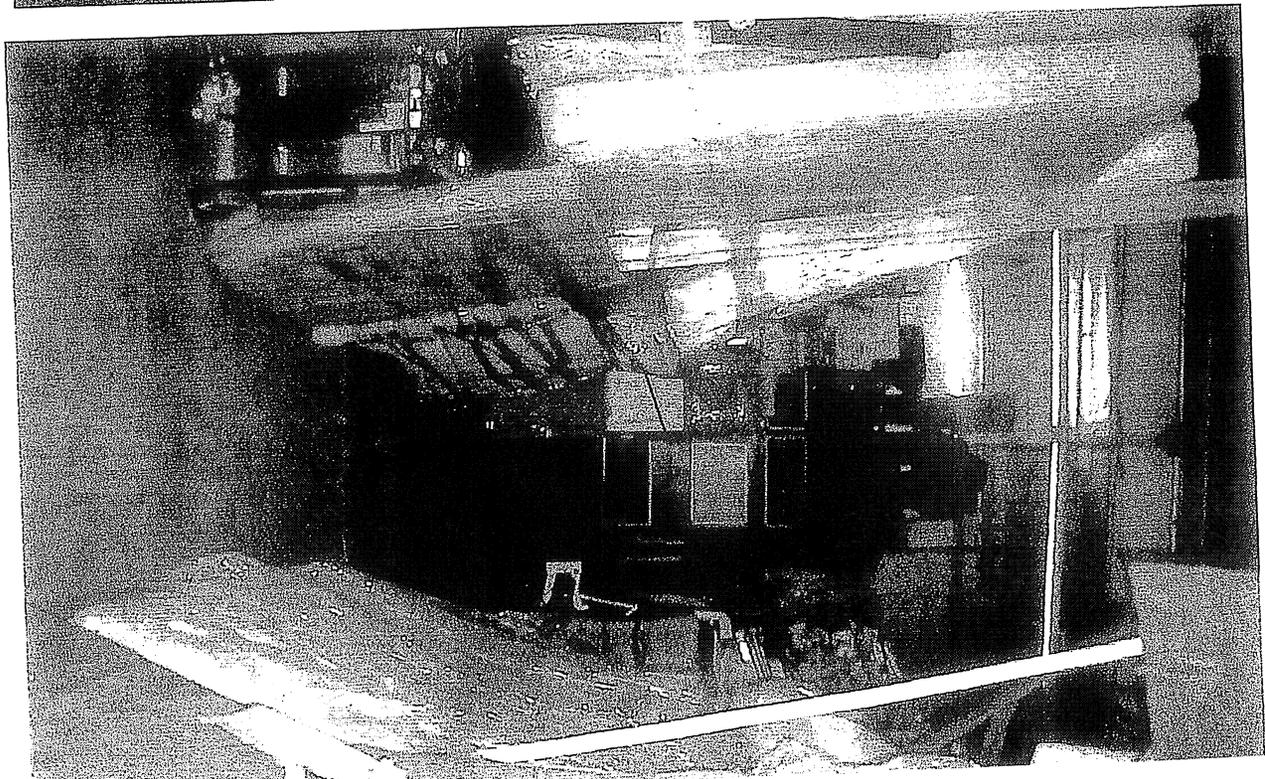

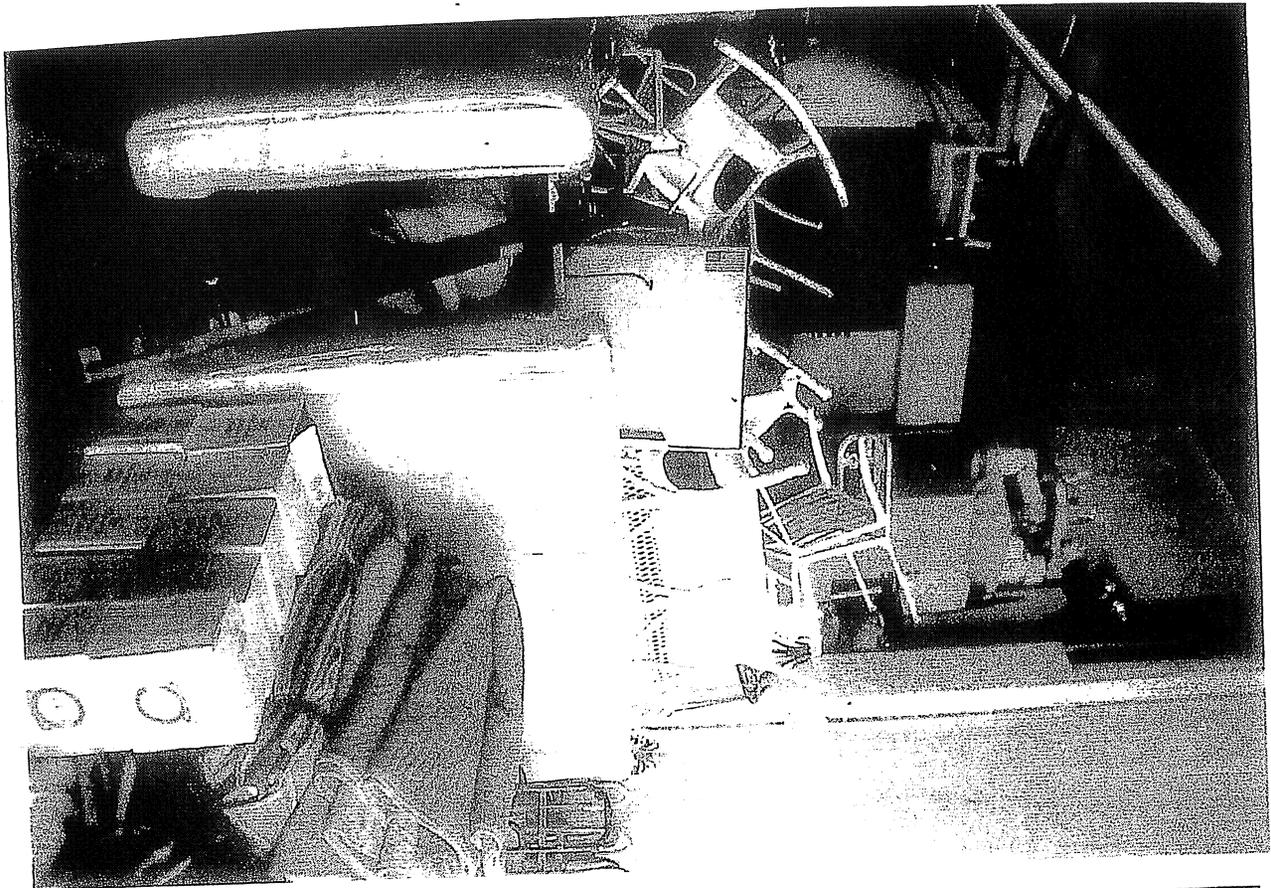

At **Globe Van Lines**, we offer more than our excellent moving assistance, but also safe storage services. Our immaculate, climate-controlled storage facilities are available for storing your company's old business records, an entire home, or a few pieces of extra furniture for a few days or even a few years. Regardless of the amount of storage space you require or the length of time you require it, **Globe Van Lines** offers an economical and secure answer to your storage needs.

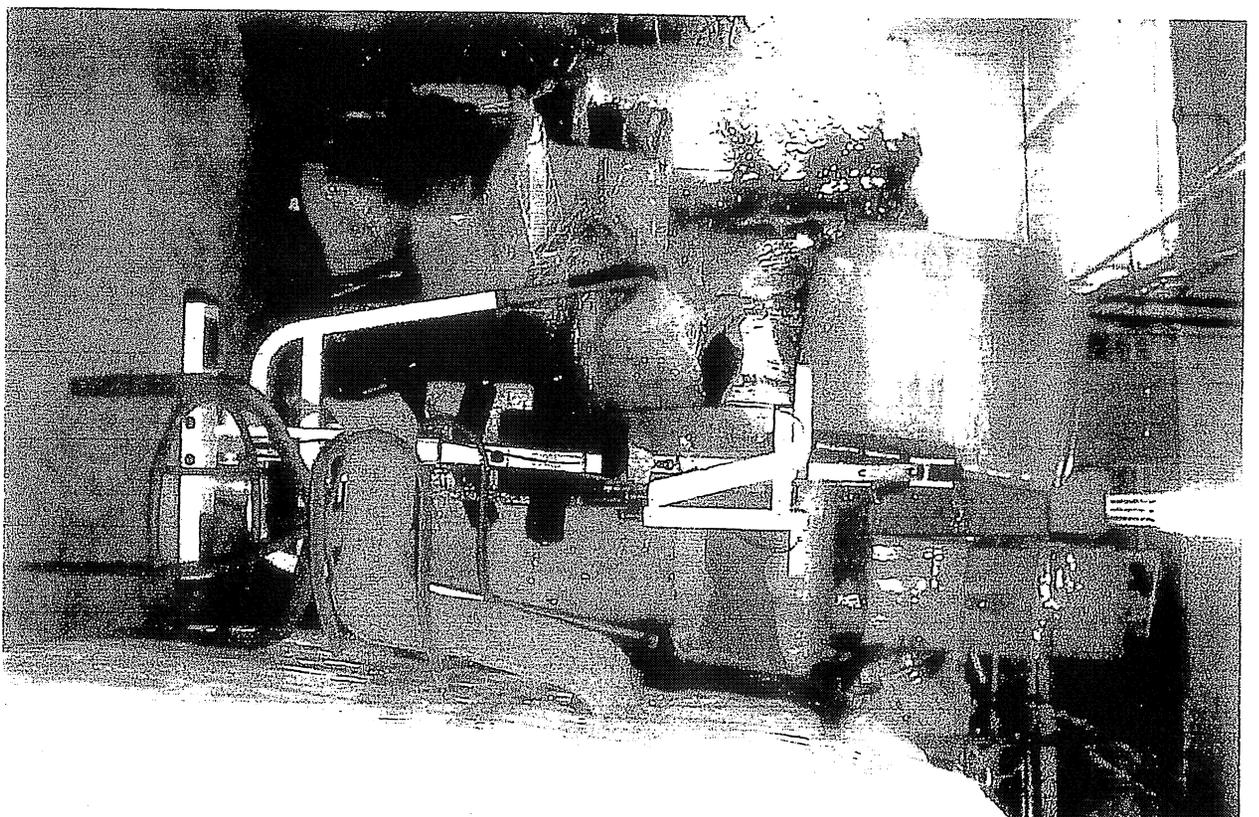

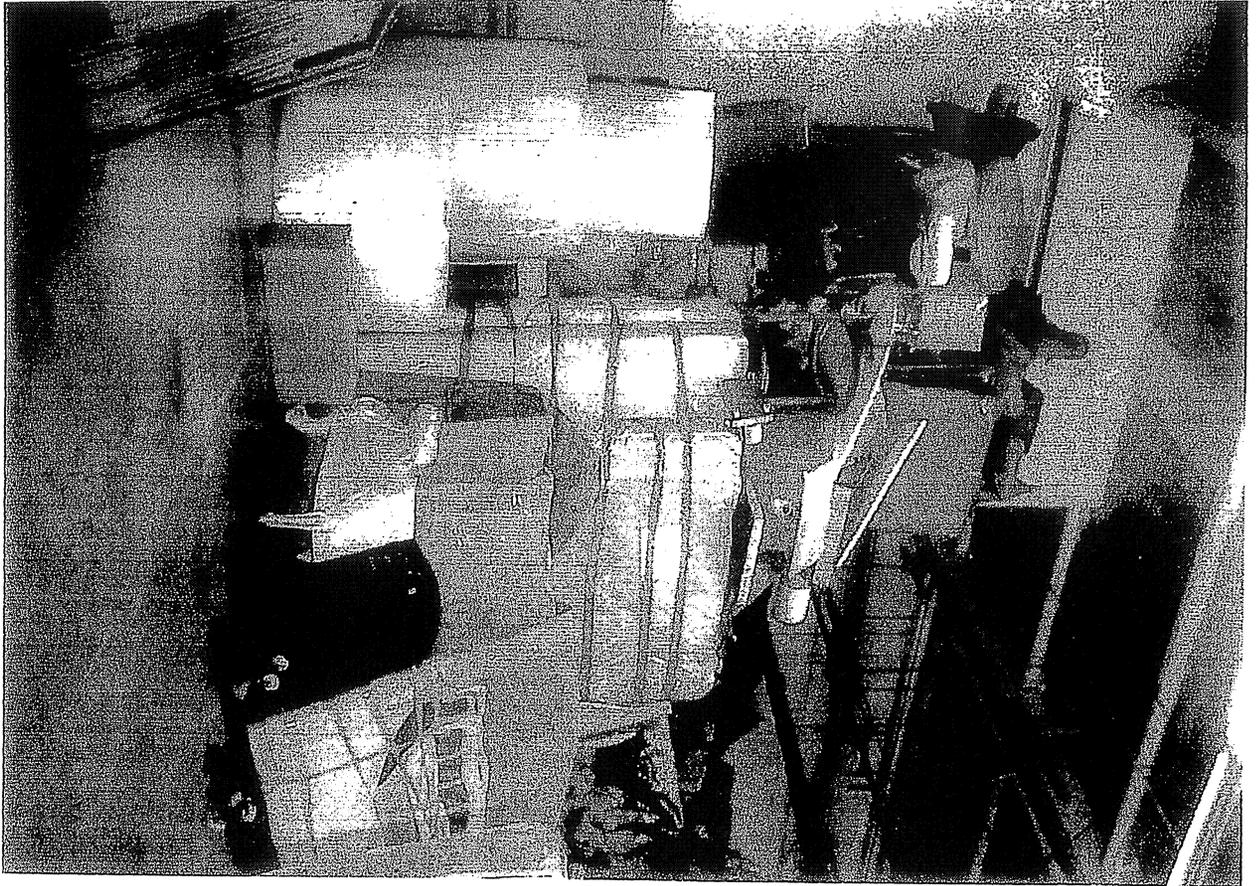

Our professional staff will label and crate your belongings until needed. Check with our representatives for personalized storage quotes and see for yourself why **Globe Van Lines** has provided families and businesses across the country with storage services for over 25 years. Our 23,000 square feet of secure storage space guarantees your belongings will be safe and ready when you need them. You have enough to worry about, let **Globe** take care of your belongings.
