NOTICE OF EX PARTE COMMUNICATIONS

Copies of tendered notices are available in the Central Files Office for review and/or reproduction under existing procedures. They are also available from the filing party who is under the obligation to provide copies of the notice without delay.

- 7/20/06 **R06-02-013** - Order Instituting Rulemaking to integrate procurement policies and consider long-term procurement plans.

Summary: On July 17, 2006, Susan J. Mara of RTO Advisors, representing the Alliance for Retail Energy Markets (AReM), met with Stephen St. Marie, advisor to Cmmr. Bohn, in San Francisco. Mara discussed the proposed decision (PD) issued on June 20, 2006. Mara articulated AReM's concerns that the Commission should enforce Commission decisions by requiring the investor-owned utilities (IOUs) to sign long-term contracts for their bundled load and identify the source of load growth. Mara discussed the California Energy Commission comments that the Commission should order the IOUs to move forward to procure power for their own bundled customers. Mara explained further that the PD's interpretation of Public Utilities Code Section 380 is incorrect. Mara also noted that if the Commission feels compelled to take action, the PD has some welcome provisions.
