**SOUTHERN CALIFORNIA EDISON COMPANY'S (U 338-E) NOTICE OF  
EX PARTE COMMUNICATION**

In accordance with Rule 8.3 of the California Public Utilities Commission's (Commission) Rules of Practice and Procedure, Southern California Edison Company (SCE) hereby gives notice of the *ex parte* communication described below.

On November 23, 2009, from approximately 10:00 a.m. to 10:30 a.m., Michael R. Hoover, Director of Regulatory Affairs for SCE met with Andy Campbell, Advisor to Commissioner Chong, regarding the Proposed Decision of ALJ Sullivan (PD) in this proceeding. Tiffany Rau, Policy & Communications Manager for Hydrogen Energy America also attended the meeting. Written materials were not used during the discussion.

Mr. Hoover stated that SCE supports the PD, and that SCE remains interested in working collaboratively with the State's other investor-owned utilities (IOU) in studying and pursuing this technology with Hydrogen Energy International LLC (HEI), as encouraged by the Commission in Resolution E-4227A. Mr. Hoover stated that, to facilitate such discussions consistent with the Resolution and as urged by SCE and HEI in the hearing process, the Commission should add an ordering paragraph to the final decision authorizing the States' IOUs to enter into joint discussions with HEI as more fully explained and detailed in SCE's comments to the PD.

To obtain a copy of this notice, please contact:

Raquel Ippoliti  
Southern California Edison Company  
P.O. Box 800 (G.O.1, Room 374-T)
