Energy Users Forum<sup>1</sup> ("EUF") and the California Manufacturers and Technology Association (CMTA) respectfully request that the attached *OPENING COMMENTS OF THE CALIFORNIA MANUFACTURERS AND TECHNOLOGY ASSOCIATION AND ENERGY USERS FORUM ON THE SECOND WORKSHOP REPORT OF RULEMAKING 07-01-041, PHASE IV, DIRECT PARTICIPATION, HELD JANUARY 19-21, 2011* be accepted even though late-filed. Technical difficulties are the cause of the request. The computer being used to file the document at the CPUC crashed multiple times on the February 11th including at 4:52 pm.

An attempt was made to minimize the impact on the other parties. Despite knowing the filing would be rejected on Monday as late-filed, as soon as it was

possible to access a finalized PDF/A version of the document it was filed and served upon the Parties. Thus, the incident caused little or no impact on the other parties. EUF and CMTA would greatly appreciate it if their late-filed Opening Comments on the Workshop were accepted by the Commission.

Respectfully submitted,

/s/ Carolyn M. Kehrein
