Application of Pacific Gas and Electric Company and Topaz Solar Farms, LLC for an Expedited Order (1) Authorizing the Conveyance of Certain Property Pursuant to Public Utilities Code Section 851 and (2) Modifying Decision 03-12-035.

Application 11-04-016

(U 39 E)

**MOTION OF CALIFORNIA UNIONS FOR RELIABLE ENERGY
FOR PARTY STATUS**

Pursuant to Commission Rules 1.4(a)(4) and 11.1, California Unions for Reliable Energy submits this motion to become a party in this proceeding.

CURE is a coalition of unions whose members help solve California’s energy problems by building, maintaining, and operating conventional and renewable energy power plants. CURE has an interest in seeing that viable projects are selected to meet California’s reliability needs. CURE was recently a party in the GWF and Calpine novation proceedings (A.09-10-022 and A.09-10-034, respectively).

CURE does not protest the application at this time. Instead, CURE requests party status in order to preserve its opportunity to comment on a proposed decision in this proceeding. Therefore, CURE requests to change from “information only” status to party status in order to submit comments on the proposed decision, if necessary.
