[Draft Resolution T-17266](#) will be on the Commission's November 19, 2010 meeting agenda. Resolution T-17266 approves Cricket Communications Inc.'s request for limited eligible telecommunications carrier status (ETC).

This draft resolution is available at the Commission's website at www.cpuc.ca.gov. On November 19, 2010, the Commission may vote on this resolution or it may postpone votes until later. When the Commission votes on a draft resolution, it may adopt all or part of it as written, amend or modify it, or set it aside and prepare a different resolution. Only when the Commission acts does a resolution become binding on the parties. The conformed resolution, when adopted by the Commission, will be available at the same website.

Pursuant to Public Utilities (PU) Code 311 (g), the above-identified draft resolution is available for public comments. Comments should be focused on factual, legal, and/or technical errors in the draft resolution. Comments must be limited to five pages in length and shall include a subject index listing the recommendations to the draft resolution, a table of authorities, and an appendix setting forth the proposed revised findings and ordering paragraphs.

The date of submission is the date the comments are received by the Communications Division. Parties must serve a copy of their comments on each party set forth on the service list attached to the draft resolution on the same date that the comments are submitted to the Communications Division.

Comments must be received and served on parties (see attached list) no later than November 4, 2010 (which is 15 days from the date of this mailing). Reply comments may be submitted on or before November 9, 2010 (5 days after opening comments are submitted) and shall be limited to identifying misrepresentations of law, fact, or condition of the record contained in the comments of other parties. Replies shall not exceed three pages in length and shall be submitted and served in the same manner as opening comments.

Late-filed opening comments and/or reply comments will ordinarily be rejected. However, in extraordinary circumstances, a request for leave to submit comments or replies late may be filed together with proposed comments/replies. An accompanying declaration under penalty of perjury shall be submitted setting forth all the reasons for the late submission.
