The ALJ Division has prepared **Resolution ALJ-257** for the October 14, 2010 Commission Meeting. This resolution adopts General Order 171 Implementing the Provisions of Section 252 of the Telecommunications Act of 1996.

The Telecommunications Act of 1996 (the Act) creates certain obligations and duties of telecommunications carriers in order to encourage competition in the telecommunications market. Section 251 of the Act describes these duties and obligations, including interconnection and access to services and network elements. Section 252 provides that incumbent local exchange carriers must enter into interconnection agreements with other telecommunications carriers. Section 252 of the Act provides specific standards for the approval of these agreements by the state regulatory commission. Under this section of the Act a state commission may assist negotiating parties in reaching agreements through mediation and/or compulsory arbitration.

Any comments should be directed to ALJ Jones; email: kaj@cpuc.ca.gov.

The ALJ Division has prepared **Resolution ALJ-258** Appeal of Citation FC-308 by Denis Marcel Beaudoin II, doing business as A Touch of Class Limousine pursuant to Resolution ALJ-187, for the 10/14 Commission Agenda.

This resolution resolves the appeal of Denis Marcel Beaudoin II, dba A Touch of Class Limousine, from Citation FC-308 issued by the Commission Consumer Protection and Safety Division. We affirm citation FC-308. Although we find that Beaudoin operated without a permit in violation of Public Utilities Code Section 5379, failed to include all required information on waybills in violation of General Order 157-D, Part 3.01, and failed to maintain evidence of required liability insurance on file with the Commission on the dates charged in the citation, we reduce the fine imposed from \$750 to \$250 based on the unique circumstances of this case. This Resolution shall not be precedent in any other Commission proceeding or citation appeal.

Any comments should be directed to ALJ Prestidge; email tom@cpuc.ca.gov.

The Resolution can be found at <http://docs.cpuc.ca.gov/Published/Graphics/123387.pdf>.
