Service Lists Noted Above

[D.09-09-047](#) required the investor owned utilities to initiate a statewide education and training needs assessment that examines workforce training needs in the areas of energy efficiency, distributed generation, and demand response. The needs assessment is identified as a major strategy in the [California Energy Efficiency Strategic Plan](#). The purpose of this workshop is to gather public input on the findings of the needs assessment that has recently been completed by the Don Vial Center for Jobs in the Green Economy at UC Berkeley. The needs assessment is posted on [Engage360.com](#). In particular the workshop will obtain public input on how training efforts initiated by the statewide investor owned utilities can address the recommendations included in the report. A meeting agenda will be emailed to the parties included on the service lists noted above prior to the workshop.
