10 am – 4 pm

Sempra Energy Headquarters
101 Ash Street, Auditorium #3

San Diego

In compliance with the Commission's Decision (D.) 01-12-009 issued December 11, 2001 in the Underground Electric and Communication Facilities Rulemaking Proceeding R.00-01-005, the California Public Utilities Commission's Energy Division posts and serves electronically this notice of a public workshop it will sponsor to facilitate input on the design of a standardized data reporting mechanism. The workshop will be hosted by SDG&E as shown above and allow participants to discuss and make recommendations on elements to be incorporated in the data collection and reporting system. The goal of the data tracking and standardized reporting is to allow the utilities, the Commission, and interested parties, to track the safety, service reliability, and lifetime cost for both overhead and underground projects and make valid and reliable comparisons between systems. A data tabulation template drafted by the respondent electric utilities is attached to this notice. The template will be the basis of discussion at the workshop.

Within ten days after the workshop, we invite parties to submit and serve a position statement, discussing why their proposed data collection and reporting system are important to future public policy on undergrounding.

Teleconference Information: Conference call capabilities will be provided by calling 1-800-966-6338; reference Margaret Moore, and followed by the pass code # 02060148. The meeting is wheelchair accessible. Participants attending the workshop via conference call are asked to put their phones on mute when they are not addressing the workshop participants in order to reduce background noise.

If you will not attend then please provide your written or electronic comments before the close of the workshop. Send them electronically to chris@stiehlworks.com and dkl@cpuc.ca.gov or mail them to both:

2/21/02	A00-11-038	Southern California Edison Company, for authority to institute a rate stabilization plan with a rate increase and end of rate freeze tariffs.
	A00-11-056	Pacific Gas and Electric Company, for emergency application to adopt a rate stabilization plan.
	A00-10-028	The Utility Reform Network, for modification of Resolution E-3527.

Summary: On February 15, 2002, Peter Ouborg, Attorney for Pacific Gas and Electric Company (PG&E), participated in an all-party meeting with Cmmr. Duque in San Francisco. Also present were Adam Chodorow, attorney for PG&E, and other attendees listed on the attached sign-in sheet. Ouborg stated that PG&E supports Cmmr. Brown's alternate with two important caveats: first, the Commission needs to establish clear rules regarding which customers are, or are not, direct access customers; second, there must be an exit fee for direct access customers to cover their cost responsibility for costs incurred by the California Department of Water Resources on their behalf.

2/22/02	R02-01-011	Order Instituting Rulemaking regarding the implementation of the suspension of direct access pursuant to Assembly Bill 1X and Decision 01-09-060.
---------	------------	---

Summary: LATE FILED. On February 15, 2002, Scott Blaising, special counsel for the City of Cerritos (City), met with David Gamson, advisor to Cmmr. Brown, in San Francisco. Also present was Peter Hanson, advisor to Cmmr. Brown. Blaising stated that the alternate is indistinguishable from the draft decision; both decisions eliminate the possibility of the City using direct access to deliver energy from the Magnolia Power Project. Blaising requested that consideration be given to modifying the alternate to

expressly recognize the City's efforts as qualifying as an "existing arrangement" under D01-09-060.

3/4/02 A01-01-021 Application of Southern California Gas Company in compliance with Resolution G-3304 and of Southern California Gas Company and San Diego Gas & Electric Company to consolidate their gas supply portfolios.

Summary: On February 27, 2002, Judy Peck, CPUC Administrator of Sempra Energy on behalf of Southern California Gas Company (SoCalGas), met with Julie Fitch, advisor to Cmmr. Bilas, in San Francisco. Also present were Laura Krannawitter, advisor to Cmmr. Duque, Aaron Johnson, advisor to Cmmr. Lynch, Belinda Gatti, advisor to Cmmr. Brown, Linda Serizawa, advisor to Cmmr. Wood, Richard Myers of the Energy Division, Mark Pocta of the Office of Ratepayer Advocates; and Ron van der Leeden, Regulatory Case Manager, and Glen Sullivan, Regulatory Attorney, for Sempra Energy. Written materials (attached to the notice) were used. Peck discussed the switching of noncore customers to core status, and the combining of the SoCalGas and San Diego Gas & Electric Company (SDG&E) core gas supply portfolios. Peck noted that in GIR decision the Commission provided each of SoCalGas and SDG&E with an assignment of, or option to acquire, sufficient assets to meet their retail core needs. Peck explained that because the Commission found these assets adequate individually for each of the two utilities, then these assets will be sufficient to meet their combined retail core need. Peck requested that a decision be issued promptly.

3/4/02 R02-01-011 Order Instituting Rulemaking regarding the implementation of the suspension of direct access pursuant to Assembly Bill 1X and Decision 01-09-060.

Summary: On February 27, 2002, Katie Wilson, Environmental Services Manager of the City of Cerritos (City), met with Cmmr. Duque, in Los Angeles. Written materials (attached to the notice) were used. Wilson explained the concerns of the City with the draft decision and the alternate and stated that both would eliminate the possibility of the City using direct access to deliver energy from the Magnolia Power Project. Wilson explained that a Commission decision disallowing pre-existing arrangements, such as the City's community aggregation program, could potentially delay or suspend development of the Magnolia Power Project.
