The Commission's policy is to schedule hearings (meetings, workshops, etc.) in locations that are accessible to people with disabilities.

The CPUC encourages all Californians to participate in its meetings, hearings, workshops, and proceedings. We try to hold our public meetings only in places that are wheelchair accessible and which can accommodate specialized equipment and other services useful to people with disabilities. Please see the notice of the meeting you wish to attend for more specifics.

If you plan to attend and need specialized accommodations for a particular meeting that are not listed in the notice, request them from the Public Advisor's Office at least three business days in advance of the meeting. Contact the Public Advisor's Office by any one of the following:

The Commission will hold a public workshop to receive input on allocating allowance revenue received by investor-owned utilities under the Air Resources Board's AB 32 cap-and-trade program. Under ARB's proposed regulations, investor-

owned utilities would receive a portion of the auction revenues from the sale of carbon allowances. Energy Division staff will facilitate a discussion of the policy objectives that parties should use to develop their proposals for using the auction revenue. Staff from the Air Resources Board will also discuss recent developments in the Low-Carbon Fuels Standard (LCFS) and parties will be asked to discuss policy objectives for the use of any LCFS allowances that investor-owned utilities may receive. This workshop will be led by Energy Division staff. An agenda will be made available before the workshop is held. For additional information on R.11-03-012, please visit:
