Telco Industry Rule 10-Service Lists for Advice Letter Filings

On January 12, 2012, The Commission approved Resolution T-17327. This Resolution amends the Telco Industry Rules established by General Order 96-B; to facilitate opportunities for parties to comment on Advice Letters filed with the

Communications Division. Telco Industry Rule 10 also expands the requirements for utilities filing Advice Letters to serve them on:

(1) (i.) Any utility or person requesting such notification from the specific utility filing the advice letter, pursuant to General Rule 4.3 and 7.2; (ii.) other persons or entities as directed by the Director of the Communications Division for particular Advice Letters, (iii.) as required by paragraph 2 of this Industry Rule.

(2) The Commission will host Advice Letter service lists on the Commission's public web site by means of which persons or entities can request to be served with particular categories of Advice Letters filed by all Telecommunications Carriers in the following categories: (i.) Changes in rates, terms and conditions of service, or initiation of new service; (ii.) Eligible Telecommunications Carrier designation requests; (iii.) General Rate Case filings; (iv.) Facility construction filings; (v.) Negotiated Inter Connection Agreements, pursuant to Industry Rule 8.1 and Contracts for Tariffed Services, pursuant to Industry Rule 8.2; (vi.) any Advice Letter not fitting within the preceding categories.

Carriers must comply with this new requirement beginning March 12, 2012.

Parties wishing to be included on a service list can sign up through a link on the Communications Division's web site at <https://ia.cpuc.ca.gov/alsl/>. This link is accessible to the public and does not require a password. A first, last name and e-mail address are required; fields for utility or entity name and carrier U-number are optional. Parties and entities can sign up for one or multiple service lists. It is the party or entity's responsibility to provide correct contact information, and to select the categor(y)(ies) of service list(s) appropriate to the subject(s) of relief requested in the Advice Letter.

On the same Communications Division web page through the following link <https://ia.cpuc.ca.gov/alsl/getlist.aspx>. Carriers may view and download the service lists, to be used when filing an Advice Letter.
