9/15/03 A03-06-040 Southern California Gas Company (U 904-G), in compliance with Resolution G-3334 for a System of Firm, Tradable Receipt Point Capacity Rights and

related provisions.

Summary: LATE FILED. On September 9, 2003, Leslie Katz, Regional Vice President, Regulatory Affairs, Southern California Gas Company (SoCalGas), met with Brian Prusnek, advisor to Cmmr. Kennedy, at the Sempra Energy Utilities offices in San Francisco. Also present were Dave Gilmore, Regulatory Attorney, and Jeff Hartman, Director, Energy Markets and Capacity Products, for SoCalGas. Katz stated that the Firm Rights Application (Preferred Case) allows firm tradable rights without unbundling and was submitted in order to address changed market circumstances. Gilmore commented that if a motion to strike is granted, the option of tradable rights without unbundling would be eliminated. Harman stated that SoCalGas recognizes that simultaneous implementation, while preferable, is not essential if it means sacrificing development of a complete record. Gilmore pointed out that although many issues relating to implementation of the Comprehensive Settlement Agreement have been resolved, significant obstacles still remain. Gilmore asserted that allowing a record to be developed on the Preferred Case makes the most sense in terms of adequately addressing the change in market conditions.
