4/28/04 R01-10-024 Order Instituting Rulemaking to Establish Policies and Cost Recovery Mechanisms for Generation Procurement and Renewable Resource Development.

Summary: On April 23, 2004, Scott Blaising, outside counsel for the City of Escondido (City), met with Cmmr. Brown in San Francisco. Also present was David Gamson, advisor to Cmmr. Brown. Blaising described the expectation of the City to receive franchise fee payments on natural gas delivered to the Palomar Energy Project, and the need for an agreement between San Diego Gas & Electric Company (SDG&E) and the City on franchise fee payments should the project be transferred to SDG&E. Blaising commented that the City favors the alternate of Pres. Peevey, since it would specifically approve SDG&E's ratemaking proposals, including the proposal by SDG&E to make in-lieu franchise fee payments to the City. Blaising explained that, while the proposed decision (PD) did not specifically reject SDG&E's proposal to make in-lieu franchise fee payments to the City, the PD created ambiguity on this issue since it deferred all ratemaking issues.

Summary: On April 27, 2004, Peter A. Casciato, attorney for Time Warner Telecom of California, LP, (Time Warner), spoke with Jonathan Lakritz, advisor to Cmmr. Wood, by telephone. Casciato advised the Commission that this is a reasonable line to draw to identify sophisticated customers who generally contract for this level of service.
