Governor Schwarzenegger has declared June 11, 2004, a Day of Mourning in California to honor and pay tribute to the memory of President Ronald Reagan. State agencies and offices will be closed and thus, the Commission's Daily Calendar will not be published on this day.

The Commission's policy is to schedule hearings (meetings, workshops, etc.) in locations that are accessible to people with disabilities.

The CPUC encourages all Californians to participate in its meetings, hearings, workshops, and proceedings. We try to hold our public meetings only in places that are wheelchair accessible and which can accommodate specialized equipment and other services useful to people with disabilities. Please see the notice of the meeting you wish to attend for more specifics.

If you plan to attend and need specialized accommodations for a particular meeting that are not listed in the notice, request them from the Public Advisor's Office at least three business days in advance of the meeting. Contact the Public Advisor's Office by any one of the following:

6/9/04 **C02-11-011** - Telscape Communications, Inc., Complainant, vs. Pacific Bell Telephone Company, Defendant; **Presiding Officer’s Decision.**

This complaint alleges that policies and practices of Pacific Bell Telephone Company (SBC-CA) for provision of local voice service are anticompetitive and discriminatory. We find that SBC-CA’s refusal to process orders for changing a customer’s local voice service to that of a CLEC if the customer also subscribes to SBC Yahoo! DSL (SBC-CA’s retail high-speed DSL service) violates Pub. Util. Code §§ 451 and 453(a).

We also approve the partial settlement entered into by intervenors AT&T and MCI with SBC-CA to resolve allegations that SBC-CA has abused the winback process and encouraged incorrect accusations of slamming. We further require SBC-CA to extend its third-party verification process to include slamming allegations for residential local voice service

We conclude that Telscape has not proved its broad objections to the functioning of SBC-CA’s OSS, but we order SBC-CA to remedy deficiencies in its treatment of certain non-recurring service order charges in its handling of billing disputes with CLECs, and in its implementation of its Performance Incentives Plan.
