The Commission's policy is to schedule hearings (meetings, workshops, etc.) in locations that are accessible to people with disabilities.

The CPUC encourages all Californians to participate in its meetings, hearings, workshops, and proceedings. We try to hold our public meetings only in places that are wheelchair accessible and which can accommodate specialized equipment and other services useful to people with disabilities. Please see the notice of the meeting you wish to attend for more specifics.

If you plan to attend and need specialized accommodations for a particular meeting that are not listed in the notice, request them from the Public Advisor's Office at least three business days in advance of the meeting. Contact the Public Advisor's Office by any one of the following:

Summary: On November 7, 2005, William Nusbaum, attorney for The Utility Reform Network (TURN), met with Bob Lane, advisor to Cmmr. Bohn, in San Francisco. Also present was Lindsay Brown, advisor to Cmmr. Bohn. Written materials (attached to the notice) were used. Nusbaum stressed that the Commission should apply Section 854(b) and (c) to the review of the proposed merger. Nusbaum also discussed TURN's position that the applicants and the Kennedy/Peevey alternate decision have not demonstrated the existence of effective competition in local telecommunications markets in California as well as TURN's concern that the benefits of the merger will not be passed through to consumers by competition. Further, Nusbaum addressed the issue of applying the DOJ/FTC Horizontal Merger Guidelines and the Attorney General's Opinion. Nusbaum noted that the applications did not pass the public interest criteria as outlined in Section 854(c). Nusbaum also discussed TURN's proposed conditions that should be imposed on the merged company in the event the Commission approves the merger. Finally, Nusbaum briefly discussed the proposed settlement between the Greenlining Institute, the Latino Issues Forum and the applicants noting that the propose settlement did not comport with the requirements of the Commission's rules pertaining to settlements.

I05-05-024 Order Instituting Investigation on the Commission's own motion into the rates, operations, practices, service and facilities of Southern California Edison Company.

Summary: On November 8, 2005, Russell G. Worden, General Rate Case Manager of Southern California Edison Company (SCE), had a telephone conversation with David Gamson, advisor to Cmmr. Brown. Worden discussed SCE's motion for a memorandum account (Motion). Worden stated that no party to SCE's 2006 general rate case had opposed the Motion. Worden stated that if computational errors appeared in a proposed decision, SCE would have to work with the Energy Division and all parties to make the necessary corrections, possibly delaying timely action by the Commission. Worden explained that the memorandum account is simply a step to mitigate the effects of potential delay in reaching a final decision.
