California Public Utilities Commission

and

April 26, 2006
9:30 am - noon

The Commission is conducting a two-day workshop seeking input from the public on the operations and funding of the state's Universal Service Public Policy Programs (PPP). The information from the workshop will be used to develop an Order Instituting Rulemaking (OIR) that will be issued after the workshop. The purpose of the OIR will be to conduct a comprehensive review of the PPPs. The Commission is seeking input at the workshop to help identify whether the existing programs meet the objectives of applicable universal service statutes and what, if any, changes are required to improve the existing program structure, ease program administration, aid in managing the size of the funds, and ensure adequate monitoring of the programs' costs to consumers.

The Commission is interested in hearing the views of the public, the industry experts, and other participants at the workshop. To facilitate the discussion at the workshop, the Commission staff has issued a report discussing the funding mechanism and three of the programs:

Universal Lifeline Telephone Service
Deaf and Disabled Telecommunications Program
California Teleconnect Fund

The complete workshop notice, the staff report, and the workshop agenda are available on CPUC's website by clicking at "Universal Service Reform" at: <http://www.cpuc.ca.gov/static/hottopics/2telco/index.htm>.
