R06-02-013 - Order Instituting Rulemaking to integrate procurement policies and consider long-term procurement plans.

Summary: On April 6, 2007, Kevin Johnson of South Bay Replacement Project (SBRP) met with Pamela Nataloni, advisor to Cmmr. Simon in San Francisco. Also present were Audra Hartmann representing Dynegy and Brian Cragg, counsel for SBRP. Cragg noted that the hybrid market structure creates an inherent problem for independent generators like SBRP because it places the utility in the roles of both primary buyer and potential seller in competition with independent generators.
