The ALJ Division has prepared **Resolution ALJ-202** for the next Commission Agenda. This resolution extends the pilot program established in Resolution ALJ-186, which permits the Commission to approve certain transactions involving the transfer or disposition of utility property by advice letter, rather than a formal Section 851 application and Commission decision, for an additional three years. The Resolution also amends the pilot program in order to reflect amendments to Pub. Util. Code Sections 851 and 853, and the Commission's adoption of General Order 96-B, applicable to advice letters generally.

We may further amend the pilot program in the future, based on our continuing experience with the pilot program and the comments of the parties.
