Summary: On August 29, 2007 Greg Gierczak, Executive Director - External Relations for SureWest Communications (SureWest) had three separate meetings. Gierczak met with Lester Wong, advisor to Pres. Peevey; Robert Haga, advisor to Cmmr. Chong; and Kelly Hymes, advisor to Cmmr. Grueneich in San Francisco. Written materials (attached to the notice) were used. Gierczak also stated that rate shock for SureWest's customers would be a serious concern if DRA's proposal was adopted. Gierczak reiterated and affirmed SureWest's commitment that it will not seek any revenue neutral recovery for the 2008 transitional phase down amount contemplated by the PD.

Summary: On August 29, 2007 Danilo Sanchez, Water Branch Manager for the Division of Ratepayer Advocates (DRA) met with Laura Krannawitter, advisor to Cmmr. Bohn in San Francisco. Also present was Marcelo Poirier, Counsel for DRA. Sanchez reiterated DRA's general opposition to the rate consolidation proposal. Poirier discussed how the August 13, 2007 letter to Cmmr. Bohn from California American Water overstated the support for the consolidation by Larkfield customers and failed to address the opinions of Sacramento customers. Poirier stated the consolidation proposal is problematic because it would break the link between rates and the established principle of cost of service, negatively affecting the Commission's efforts to promote water conservation.

Summary: **LATE FILED.** On August 29, 2007 a conference call occurred between Brian Hess, Director of Operations for Niagara Bottling, LLC (Niagara), Theresa Cho, advisor to Cmmr. Grueneich, and Gregory Klatt of Douglass & Liddell. Hess summarized the information contained in Niagara's comments and reply comments on the proposed decisions concerning the company's good faith reliance on the Economic Development Rate (EDR) rate discounts approved in D.05-09-018 in deciding not to locate certain expansion production and relocate its existing production and other operations to outside California. Hess explained that should the Commission determine the EDR rate structure should be modified, Niagara supports adoption of the Alternate Proposed Decision because it provides that this determination should not affect existing EDR contracts.
