Summary: LATE FILED. On September 4, 2001, Kathryn Slater-Carter of Montara Sanitary District met with Belinda Gatti, advisor to Cmmr. Brown, in San Francisco.

Also present was Edward O'Neill, counsel for Montara Sanitary District. O'Neill stated that the proposed decision fails to adequately address the right of Montara District ratepayers to adequate service and reasonable rates. Slater-Carter explained that there is a long history of inadequate water supply in the Montara District. Slater-Carter also stated that while service has long been deficient, rates in the Montara District are the highest in the area. O'Neill stated that under California-American Water Company's (Cal-Am) proposal, Montara District ratepayers are guaranteed that rates will soon be increased further. O'Neill further stated there is no basis for attributing any acquisition premium to Montara Sanitary District facilities. O'Neill stated that rates in Montara should be set on a cost of service basis with acquisition savings applied to offset, in part, the high cost of badly needed system upgrades.
