

Decision 04-02-054 February 26, 2004

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of Minoo Mostamand dba California Sunshine Airport Shuttle, Seller, and Datta Transport Systems LLC dba EZ Ride, Buyer, for approval of the transfer by sale of the operating authority held by Seller in Passenger Stage Corporation Certificate PSC 7777 from Seller to Buyer, pursuant to the Provisions of Public Utilities Code sections 851 et seq.

Application 03-12-002
(Filed December 2, 2003)

O P I N I O N

Summary

This decision grants the application to transfer, pursuant to Public Utilities (Pub. Util.) Code § 851 et seq., a passenger stage corporation (PSC) certificate from Minoo Mostamand, an individual, to Datta Transport Systems LLC, a limited liability company.

Discussion

Transferor is authorized by Decision (D.) 92-10-045 to operate as passenger stage corporation (PSC-7777) to transport persons and their baggage on an on-call basis between points in San Diego County, on the one hand, and San Diego International Airport, and the San Diego Greyhound Station, Amtrak Station, and Cruise Ship Terminal, on the other hand.

This application requests approval to transfer the PSC certificate from Transferor to Transferee. Transferor states he is selling the business for personal

and family reasons and desires to pursue other activities. The sales price is \$95,000, as set forth in the Bill of Sale, attached to the application as Exhibit 1.

Exhibit 2 of the application is Transferee's unaudited balance sheet as of November 15, 2003, that discloses assets of \$166,000, liabilities of \$71,000, and equity of \$95,000. Transferee has six 8-passenger vans that it currently operates under a charter-party carrier permit (TCP 16948-P).

Notice of filing of the application appeared in the Commission's Daily Calendar on December 3, 2003.

In Resolution ALJ 176-3124 dated December 4, 2003, the Commission preliminarily categorized this application as ratesetting, and preliminarily determined that hearings were not necessary. No protest has been received. Given this status, public hearing is not necessary, and it is not necessary to alter the preliminary determinations made in Resolution ALJ 176-3124.

This is an uncontested matter in which the decision grants the relief requested. Accordingly, pursuant to Pub. Util. Code § 311(g)(2), the otherwise applicable 30-day period for public review and comment is being waived.

Richard Clark is the assigned Examiner in this proceeding.
