

Decision 06-01-028

**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

Order Instituting Rulemaking Regarding Policies, Procedures and Incentives for Distributed Generation and Distributed Energy Resources.

Rulemaking 04-03-017  
(Filed March 16, 2004)

**ORDER CORRECTING ERRORS IN DECISION (D.) 06-01-024**

The Commission has been informed that D.06-01-024, issued January 12, 2006, inadvertently included a table estimating rate impacts that assumed incorrect customer demand. (Appendix A, Table 3: Estimated Average Annual Bill Impacts of 2006 CSI Revenue Requirement on Gas and Electric Rates, p. 13.)

Therefore, pursuant to Resolution A-4661, **IT IS ORDERED** that on page 13 of Appendix A to Decision 06-01-024, Table 3 is deleted and replaced with the new Table 3 appended hereto.

This order is effective today.

Dated January 17, 2006, at San Francisco, California.

/s/ STEVE LARSON

STEVE LARSON  
Executive Director

**APPENDIX**

**Table 3: Estimated Average Annual Bill Impacts of 2006 CSI Revenue Requirement On Gas and Electric Rates**

| <b>Customer Class</b>        | <b>Electric</b>              | <b>Gas</b> |
|------------------------------|------------------------------|------------|
| <b>PG&amp;E</b>              |                              |            |
| Residential                  | \$15                         | \$2        |
| Commercial                   | \$38                         | \$17       |
| Industrial                   | \$3,200                      | \$46       |
| <b>SCE</b>                   |                              |            |
| Residential                  | \$10                         |            |
| Commercial                   | \$19                         |            |
| Industrial                   | \$4,200                      |            |
| <b>SDG&amp;E</b>             |                              |            |
| Residential                  | \$16                         | \$2        |
| Commercial                   | \$61                         | \$33       |
| Industrial                   | \$2,965                      | \$68       |
| <b>SoCalGas</b>              |                              |            |
| Residential                  |                              | \$4        |
| Commercial                   |                              | \$30       |
| Industrial                   |                              | \$82       |
| <b>Average Monthly Usage</b> |                              |            |
| <b>Electric</b>              | <b>Gas</b>                   |            |
| Residential –500-575 kWh     | Residential –35-42 therms    |            |
| Commercial –1,000-2,000kWh   | Commercial –320-510 therms   |            |
| Industrial –276,000 kWh      | Small Industrial –925 therms |            |
