ORDER CORRECTING ERROR IN DECISION 07-12-055

On December 26, 2007, California Water Service Company (Cal Water) informed the Commission that there were obvious errors in two tariff sheets included in Attachment 3 to Decision (D.) 07-12-055. These errors are for reclaimed water rates in the Westlake district and affect all customer classes in the district. Attached to Cal Water's filing are corrected tables for Attachment 3, Westlake District, Appendix B, pages 1 and 3. These corrected tables are necessary for consistency with Finding of Fact 14 in the proposed decision mailed on September 18, 2007 and Finding of Fact 14 in the final decision, D.07-12-055, issued on December 21, 2007.
