ORDER CORRECTING CLERICAL OMISSION IN DECISION 08-05-008

It has come to the Commission's attention that the following paragraph of the opinion in Decision 08-05-008 contains an inadvertent clerical error and should be corrected to avoid any misunderstanding of that decision. In the ordering paragraph 2, the phrase "of the transfer of authority" should read "with notification of the transfer of control". In addition, the notification should be provided within ten days of the actual transfer of control, rather than the date of the decision. Finally, this order corrects the caption that was used in D.08-05-008.

Therefore, under the authority of Resolution A-4661,

IT IS ORDERED that the:

1. Ordering paragraph 2 of Decision (D.)08-05-008 is modified to read:
"Applicants shall provide the Director of the Commission's Division of Water and Audits, in writing, with notification of the transfer of control, as authorized herein, within ten days of the actual transfer of control. A true copy of the instruments of transfer shall be attached to the notification"
2. This order corrects the caption that was used in D.08-05-008.
