ORDER CORRECTING ERROR

The Commission has been informed of an error in Decision (D.) 08-01-043 adopting the revenue requirement in Golden State Water Company's Region I general rate case. The Adopted Quantities tables contained in Attachment D of the decision were inadvertently omitted when the decision was issued. Those tables are attached to this Order at Appendix A.

By letter dated October 15, 2008, pursuant to Rule 16.5 of the Commission's Rules of Practice and Procedure, Golden State Water Company seeks to have D.08-01-043 corrected to include Adopted Quantities tables. The tables were provided to the Water Division during the course of the general rate case, but due to an oversight they were not attached as part of the final decision.

Therefore, pursuant to Resolution A-4661, Golden State Water Company's request is granted.

IT IS ORDERED that:

1. Attachment D to Decision 08-01-043 is corrected to include the Adopted Quantities tables contained in Appendix A to this order.
2. This proceeding is closed, except as to the issue on rehearing identified in Decision 08-08-031.

This order is effective today.

Dated November 5, 2008, at San Francisco, California.
