

PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Resolution ALJ-264
Administrative Law Judge Division
January 13, 2011

R E S O L U T I O N

RESOLUTION ALJ - 264 Granting Extension of Confidential Treatment of Information in a Formal Record, and Closing the Proceeding.

Pursuant to Pub. Util. Code §§ 454.5(g) and 583, the Commission may grant requests to file all or part of a document under seal, or to seal all or part of an evidentiary record, to protect the sealed information from public disclosure. In the interest of balancing the policy goals of public disclosure, full participation and transparency with the statutory provisions allowing and indeed requiring confidential treatment of information in limited circumstances, the Commission may grant requests for confidential treatment for discrete periods of time, rather than in perpetuity. Under those circumstances, a party may request, by motion, an extension of the time granted in a ruling for confidential treatment of information.

The Commission has received a timely request for extension of time for confidential treatment by Extenet Systems (California) LLC (Extenet) in Application 05-07-025. Extenet requests that Commission extend the seal on Exhibits 2, 3, and 4 of the application. The Commission granted a previous motion by Extenet to file these documents under seal in Decision 06-04-043 and a previous extension of the seal in Resolution ALJ-219.

Extenet's request to extend the confidential treatment of Exhibits 2, 3, and 4, which were previously filed under seal, was filed and served in the proceeding and is unopposed. An extension is granted for two years, running from the effective date of this resolution.

This order is exempt from public review and comment pursuant to Rule 14.6(c)(2) of the Commission's Rules of Practice and Procedure.
