**RESOLUTION T-17310**

**R E S O L U T I O N**

**Resolution T-17310. Request For Reinstatement of Non-Dominant Interexchange Carrier Reseller Registration License Held by LCR Telecommunications, LLC. (U-6046-C).**

---

**Summary**

This Executive Director Resolution reinstates the non-dominant interexchange carrier reseller registration license held by LCR Telecommunications, LLC (U-6046-C).

**Background**

LCR Telecommunications, LLC (LCR) was originally registered as a non-dominant interexchange carrier reseller licensee by D.98-08-064 in A.98-07-041. Due to recording error, the company's 2009 User Fee report was not recorded in a timely manner and Resolution T-17300, adopted December 16, 2010, revoked operating authority to several carriers including LCR, for failure to submit the report.

**Discussion**

The Communications Division recommends that the registration license be reinstated since the revocation of LCR's operating authority was due to a recording error. Therefore, reinstatement for this carrier is appropriate.

**Findings**

1. LCR was registered as a non-dominant interexchange carrier reseller licensee by D.98-08-0064.
2. Resolution T-17300 revoked the company's operating authority due to recording error.
3. The registration license should be reinstated.

**THEREFORE, IT IS ORDERED that:**

1. LCR Telecommunications, LLC's non-dominant interexchange carrier reseller registration license is reinstated.
2. Utility Identification Number U-6046-C is reissued to the company.

This Resolution is effective today.

I hereby certify that this Resolution was adopted by Executive Director Resolution on

February 8, 2011.
