**Telecommunications Division
Carrier Branch**

**RESOLUTION T-16892
November 19, 2004**

R E S O L U T I O N

**Resolution T-16892. Revocation of 166 Authorities Issued to
Competitive Carriers for Failure to Comply with Commission
Decisions.**

Summary

This resolution revokes 166 competitive carrier authorities held by the companies listed in the Discussion Section for failure to comply with Decisions 93-05-010, Ordering Paragraph 4 and 95-12-056 and the wireless registration process.

Background

Decisions 93-05-010 Ordering Paragraph 4 and 95-12-056 and the wireless registration process state that the Commission will consider the revocation of competitive carriers that are more than 90 days late in filing annual reports and remitting surcharges.

The carriers were delinquent in filing one or both of the following:

1. Telecom Division (TD) researched the carriers' record of reporting and surcharge payments. It was determined that some of the carriers are at least 90 days late in reporting or remitting some or all intrastate end-user billing subject to surcharge on the form Combined California PUC Telephone Surcharge Transmittal (Surcharge Transmittal).
2. TD has also determined that some of the carriers that are late filing surcharge transmittals are also at least 90 days late in filing annual financial reports with the Commission.

The following steps were taken to contact the carriers and inform them of their delinquencies:

1. TD sent warning letters to all the carriers on this list.
2. Notice of company names was placed in the Commission Calendar for 30 days. Interested parties were invited to contact TD staff with questions or comments on these carriers' locations, but TD was not contacted by the companies currently on this list.
3. TD checked the Secretary of State's file on its website for a carrier's agent when TD received returned mail from the carrier's last known address.
