**RESOLUTION T-16911
November 18, 2005**

R E S O L U T I O N

RESOLUTION T-16911. Voluntary revocation of Certificates of Public Convenience and Necessity held by 10 companies.

Summary

This resolution revokes, at the request of the companies, Non-Dominant Interexchange Carrier (IEC/IER) and Competitive Local Carrier (CLC/CLR) Certificates of Public Conveniences and Necessity (CPCNs) held by the 10 companies listed in the Discussion Section.

Background

The 10 companies listed in the Discussion section below were certificated by the Commission in their specified markets. All required tariffs were filed.

Each company has stated in a letter or advice letter to the Commission that it no longer has any customers and that it requests revocation of its CPCN.

Discussion

The companies that would be revoked by this resolution are the following:

<u>Utility Type</u>	<u>CPCN#</u>	<u>Company Name</u>
IEC	5229	Affinity Network Incorporated
IEC/CLC	5366	Eclipse Communications Corp.
IEC/CLR	5775	Easy Cellular, Inc.
IEC	5846	Telephone Company of Central Florida, Inc.
IEC	5871	Teleglobe America, Inc.
CLC/CLR	5922	Focal Communications Corporation of California
IEC/IER/CLR	5943	Comm South Companies, Inc.
IER	6141	WWC License
IEC/CLC	6497	Global Metro Networks California, LLC
IER	6699	Tralee Telephone Company, LLC

The Telecommunications Division (TD) recommends that these requests for revocation be granted and that the companies' Utility Identification Numbers be cancelled.

This is an uncontested matter in which the resolution grants the relief requested. Accordingly, pursuant to PU Code Section 311 (g)(2), the 30-day period for public review and comment is being waived.

Each of the above companies has submitted a letter or an advice letter to the Commission requesting revocation. There is no reason to deny this request since these companies report that they have no customers and there are about 700 long distance and 300 competitive local carriers authorized to do business in these markets.

TD reviewed the User Fee Surcharge records for the above companies. It appears that none owes additional surcharges.

Findings

1. The companies on the above list were certificated by the Commission in the indicated markets.
2. The companies requested by letter or advice letter that their CPCNs be revoked.
3. The companies' CPCNs should be revoked and their Utility Identification Numbers should be cancelled in cases where they hold no other CPCNs.

THEREFORE, IT IS ORDERED that:

1. The Certificates of Public Convenience and Necessity granted to the following companies are revoked:

<u>Utility Type</u>	<u>CPCN#</u>	<u>Company Name</u>
IEC	5229	Affinity Network Incorporated
IEC/CLC	5366	Eclipse Communications Corp.
IEC/CLR	5775	Easy Cellular, Inc.
IEC	5846	Telephone Company of Central Florida, Inc.
IEC	5871	Teleglobe America, Inc.
CLC/CLR	5922	Focal Communications Corporation of California
IEC/IER/CLR	5943	Comm South Companies, Inc.
IER	6141	WWC License
IEC/CLC	6497	Global Metro Networks California, LLC
IER	6699	Tralee Telephone Company, LLC

2. The companies' Utility Identification Numbers are cancelled and shall not be reissued.

This Resolution is effective today.

I hereby certify that this Resolution was adopted by the Public Utilities Commission at its regular meeting on November 18, 2005. The following Commissioners approved it:
